• The second global fluorite producer and third bismuth producer.
• The second gold producer in Latin America.
Mexico’s major goals and strategies

1. Peace
2. Inclusiveness
3. Education
4. Prosperity
5. Responsible global actor

Gender Equity
Keep government close to people
Democratization of productivity

Exports promotion | Internationalization | FDI attraction
5 strategies for boosting our commerce

- Enhance Mexico’s presence in North America
- Foster Mexico’s bonds with Latin America and the Caribbean
- Diversify exports to the Asia-Pacific region
- Enhance México’s FTA with the EU
- Protect Mexico’s interests in the global markets
What Do We Offer in ProMéxico?

- **Brings companies together and link them to private or public organizations and academia, among others, with specific goals that are usually project-related.**

- **Simplifies the execution or increases the appeal of a project, whether for export, FDI or internationalization, through incentives, studies or by opening markets.**

- **Boosts activities aimed to present an overview of international business and trade. It also seeks to encourage enterprises and strategic sectors to reach international markets and promote the country’s image.**

- **Assists clients to reach a specific goal, through training, personal assistance or consulting.**
