++ This cohort applies to students who and enroll in an institution of higher education for the first time following high school graduation: -in the 2024-2025 academic year, AND
-opt-in to the fixed tuition and fees plan with the Bursar's office by the 12th class day of the first semester at TAMIU.

This cohort expires 12 semesters after the initial enrollment date, but no sooner than Summer 2028.

Delivery methods (such as face-to-face) for each course have been designated based on ideal circumstances, but emergency management may require a change to an online delivery method for any/all courses at any time. Regardless, tuition and fees are the same as posted, and there will be no rebates or refunds resulting from any change in delivery method outside of the normal refund

Educational expenses for the fall and spring semesters, approximately nine months, vary according to personal needs and course of study.

The cost of attendance (COA) estimates the typical student's cost to attend Texas A&M International University. Your COA covers both your college tuition and basic living expenses. For the current cost of attendance estimates, visit TAMIU Financial Aid.
