#DISCOVERTAMIU

WELCOME

“I’M LOOKING FORWARD TO SEEING YOU AND WELCOMING YOU TO ‘DISCOVER TAMIU.’ ”

We’re excited to welcome you to “Discover TAMIU,” our daylong celebration of all things Texas A&M International University. We’ve designed this event to welcome people of all ages, their families and friends, and to open doors and minds to what TAMIU means.

This year, we’re especially excited to present “Discover TAMIU” as part of our 50th Anniversary Celebration, “A World of Difference.” We have events celebrating this milestone event in our history throughout the year, but “Discover TAMIU” is especially dear to our TAMIU faculty and staff.

That’s because “Discover TAMIU” is really about connection. Through activities, events, fun and games we’re sharing an engaging opportunity to show how TAMIU can brighten futures, lift hearts, and open minds. Whether you’re sharing this day with your child or

teen, or carving out a day for yourself and friends, today we focus on how education makes possibilities real for all. For the past 50 years, we’ve been making these transformations real and we’re proud to share our story.

At “Discover TAMIU,” you can explore the Dustdevil Spirit and find out that our 300-acre campus is home to a world-class education delivered by a gifted, global faculty. This is a place that radiates culture and knowledge, balanced by tradition and cutting-edge discovery. We’ve created five different pathways that will move you from classroom to boardroom, or from laboratory to the very skies above campus.

This is a family-friendly event where children will delight in navigating the campus with parents, where teens can tackle technology in its latest iteration, and where everyone can absorb sweeping vistas that can be the home base to futures of great promise. Over 29,000 graduates from all around the world, and just around the corner can confirm this.

Each year at “Discover TAMIU” we gather to celebrate, to be inspired, and to be challenged to discover more... and then more still. Whether it’s a STEM opportunity, a chance to see history come to life, or a glimpse at a cherished future career, the connection to “Going Beyond” begins HERE.

I’m looking forward to seeing you and welcoming you to “Discover TAMIU.”

PARKING

During Discover TAMIU, the University will be a hub of activities with hundreds of guests from all across Texas and northern México.

Parking is available throughout campus at no charge, but designated parking lots that require permits should be noted. Please observe posted signs as they relate to fire lanes or those that require special permits.

INFORMATION CENTERS

Information Centers will be located throughout campus to help guests and visitors navigate their way through campus and provide information on programs and activities. These centers will be denoted with this icon on the map for easy guidance.

Each center can provide general information on the nearest restroom facilities, building locations, and a printed program schedule.

PARKING FOR BUSES

The drop off location for large groups has been designated as the Student Center, accessed from Entrance 3 if traveling from south to north on Loop 20, or Entrance 1 if entering through University Boulevard.

After dropping off students in the designated area, all buses should depart and use the parking lot at the Senator Judith Zaffirini Student Success Center located on the south side of campus.

RAIN PLAN

Rain, shine, cold, or hot is nothing new to TAMIU and activities and programs will continue as planned across campus. Most events will continue in their designated areas, but some may be moved to alternate locations.

FIRST AID

A first aid station can be found in the Student Center facing the parking lot to the west. It will be available for minor injuries and will help coordinate efforts should an emergency arise.

RESTROOMS

Restroom facilities can be found in every campus building on each floor.

LOST AND FOUND

If you or a guest has lost something while visiting TAMIU, please return to the location where you believe you may have left it. If it is not there or you cannot remember when you last saw your item, please visit the Information Desk located in the Student Center.

IMPORTANT SAFETY INFORMATION

Deer, javelinas, birds and other wildlife are frequently seen throughout campus. Please remember that these animals are in their habitat and should not be considered to be tame. While we welcome you to take pictures of them, take precaution to not get too close or chase them, as they may feel threatened. Extra measures should be taken with children who may confuse them with pets.

SOCIAL MEDIA

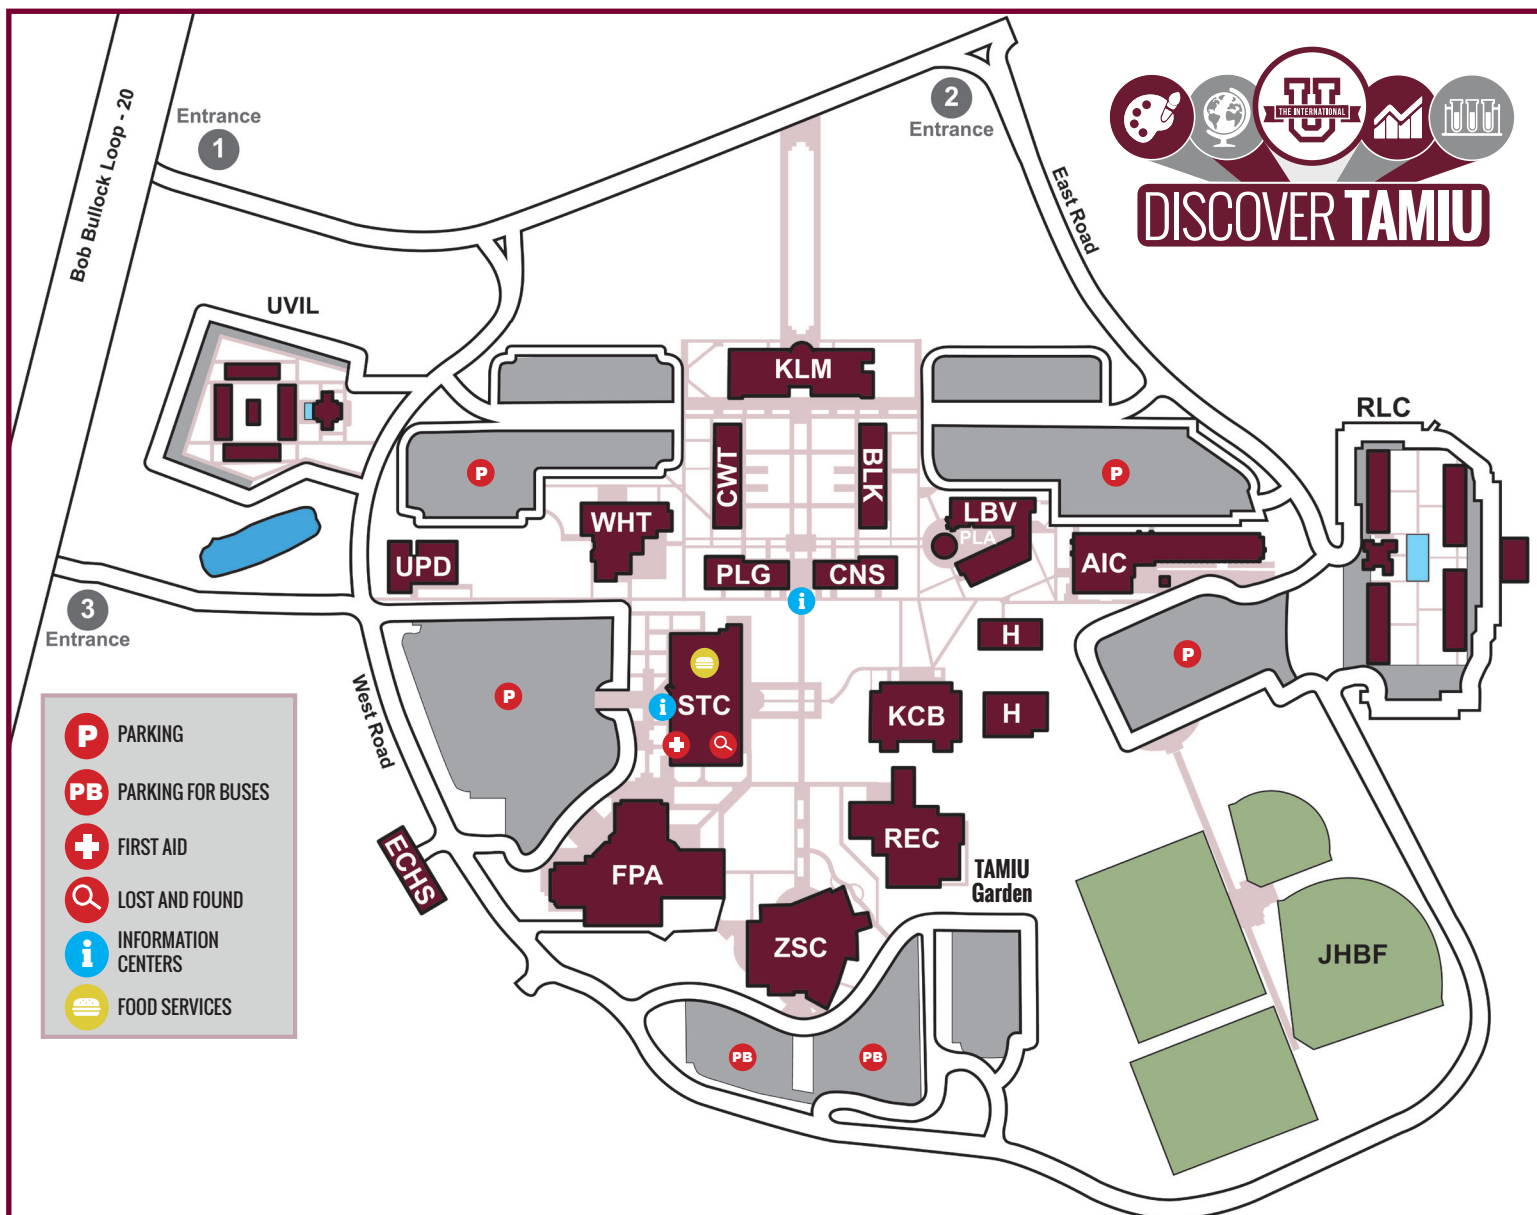

See what your friends, family, and classmates are up to during Discover TAMIU by using the **#DiscoverTAMIU** hashtag. You can search, explore and navigate through the numerous pictures and comments available for the whole world to see!

FOOD SERVICES

Aramark, the University's food service provider is proud to offer numerous options for guests attending Discover TAMIU. The following locations offer an array of options for children of all ages and adults:

**FOOD COURT
DUSTY'S DINER
STARBUCKS**

By participating in the Discover TAMIU event, you authorize Texas A&M International University (TAMIU) and its approved representatives the right and permission to use and publish any photographs/film/videotapes/electronic representations and/or sound recordings of you and your children during all Discover TAMIU activities. Your participation in Discover TAMIU also releases TAMIU and its employees, volunteers and related parties from any and all liability and authorizes TAMIU the right to reproduce, copyright, exhibit, broadcast, electronically store and distribute the photographs/film/videotapes/electronic representations and or sound recordings without limitation at the discretion of TAMIU.
