

COLLEGE OF NURSING AND HEALTH SCIENCES

MASTER OF SCIENCE IN NURSING - FAMILY NURSE PRACTITIONER ONLINE

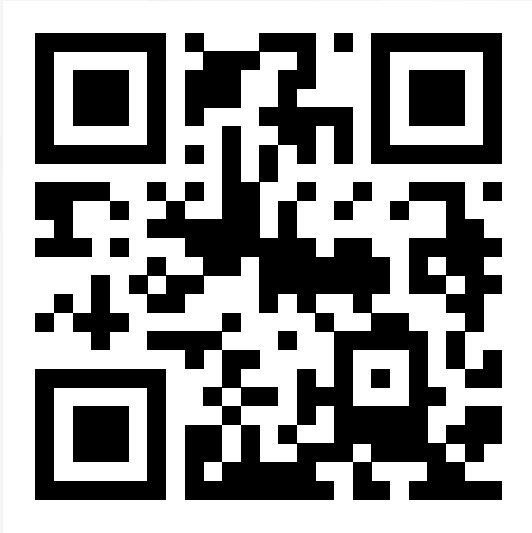

EXCELLENCE, DIVERSITY, AND PATIENT-CENTERED CARE ACROSS THE LIFESPAN

ABOUT OUR PROGRAM

The mission of the Dr. F. M. Canseco School of Nursing is to prepare professional nurses to improve the well being of complex and diverse populations. Our curriculum is aimed at educating advance practice nurse leaders who, through research, policy, and practice promote the health and wellbeing of local, national and international communities so that all people can thrive. In doing so, it underscores our geographic and institutional strengths to prepare nursing prospects.

ABOUT OUR FACULTY

We view nursing as a partnership between the student and the faculty. The Dr. F. M. Canseco School of Nursing faculty have a broad range of backgrounds, experiences and areas of expertise to assist you in your journey to professional practice. Many of our faculty are advanced practice nurses and most hold specialty certification in various areas of nursing specialization.
