

TEXAS A&M INTERNATIONAL UNIVERSITY
UNIVERSITY HONORS &
UNDERGRADUATE RESEARCH PROGRAM

Request to Change Honors Program

What you need to know about changing honors program:

- Request to change Honors program will only be available for Fall 2021 returning honors students only.
- Seniors and Juniors will continue with the original University Honors Program with minor changes (see updated requirements).
- Sophomore and Freshmen will transfer to the new University Honors & Undergraduate Research Program.
- The ability to change honors program is dependent on the time you have left until graduation and your faculty mentor's approval.
- If approved, you must meet all the requirements for the University Honors & Undergraduate Research Program.
- All decisions on appeals are final.
