## ALEX DE LA FUENTE GRADUATED EMPLOYED

AND POWERED BY TAMIU

Alex De La Fuente discovered the International U, earning a Bachelor's degree in Systems Engineering. Part of TAMIU's Harvard Latino Leadership Initiative, he also traveled to study abroad in China, played on TAMIU's a Division II Soccer Team and interned at Labatt Food Service in San Antonio.

Labatt Food Service, the nation's tenth-largest broadline food service distributor, was so impressed with Alex that they've hired him as a Business Analyst upon his May graduation.

# STEPHANIE HERNÁNDEZ GRADUATED EMPLOYED

## POWERED BY TAMIU

Stephanie Hernández discovered the International U, earning a Bachelor's degree in Political Science. Part of TAMIU's Harvard Latino Leadership Initiative, she also worked as a field organizer in Florida for President Obama's Re-election Campaign and was active in TAMIU student life.

The second in her family to earn a Bachelor's degree, she has just been accepted as one of only 11% of applicants across the nation to participate in Teach for America. This Fall, she'll be teaching low-income public school students in Indianapolis, Indiana.

Only 21, she's laser-focused on her future and while in Indiana plans to pursue a Master's degree in Education at Marian University in Indianapolis.

## ALEX BARRERA GRADUATED POWERED BY TAMIU

Alejandro Barrera discovered the International U, and earned a Bachelor's degree in Biology, graduating *cum laude* this May. He's been accepted to the University of Texas Health Science Center-Houston where he'll begin his dental studies this Fall.

While a student at TAMIU, Alex embraced Study Abroad, logging over 35,000 miles and infusing his classroom time with real-world experiences like helping to build a village school in Ghana and serving as a head delegate to the World Model United Nations Conference in Australia.

His academic acumen enabled him to work as a Freshman Mentor in the Advising & Mentoring Center.

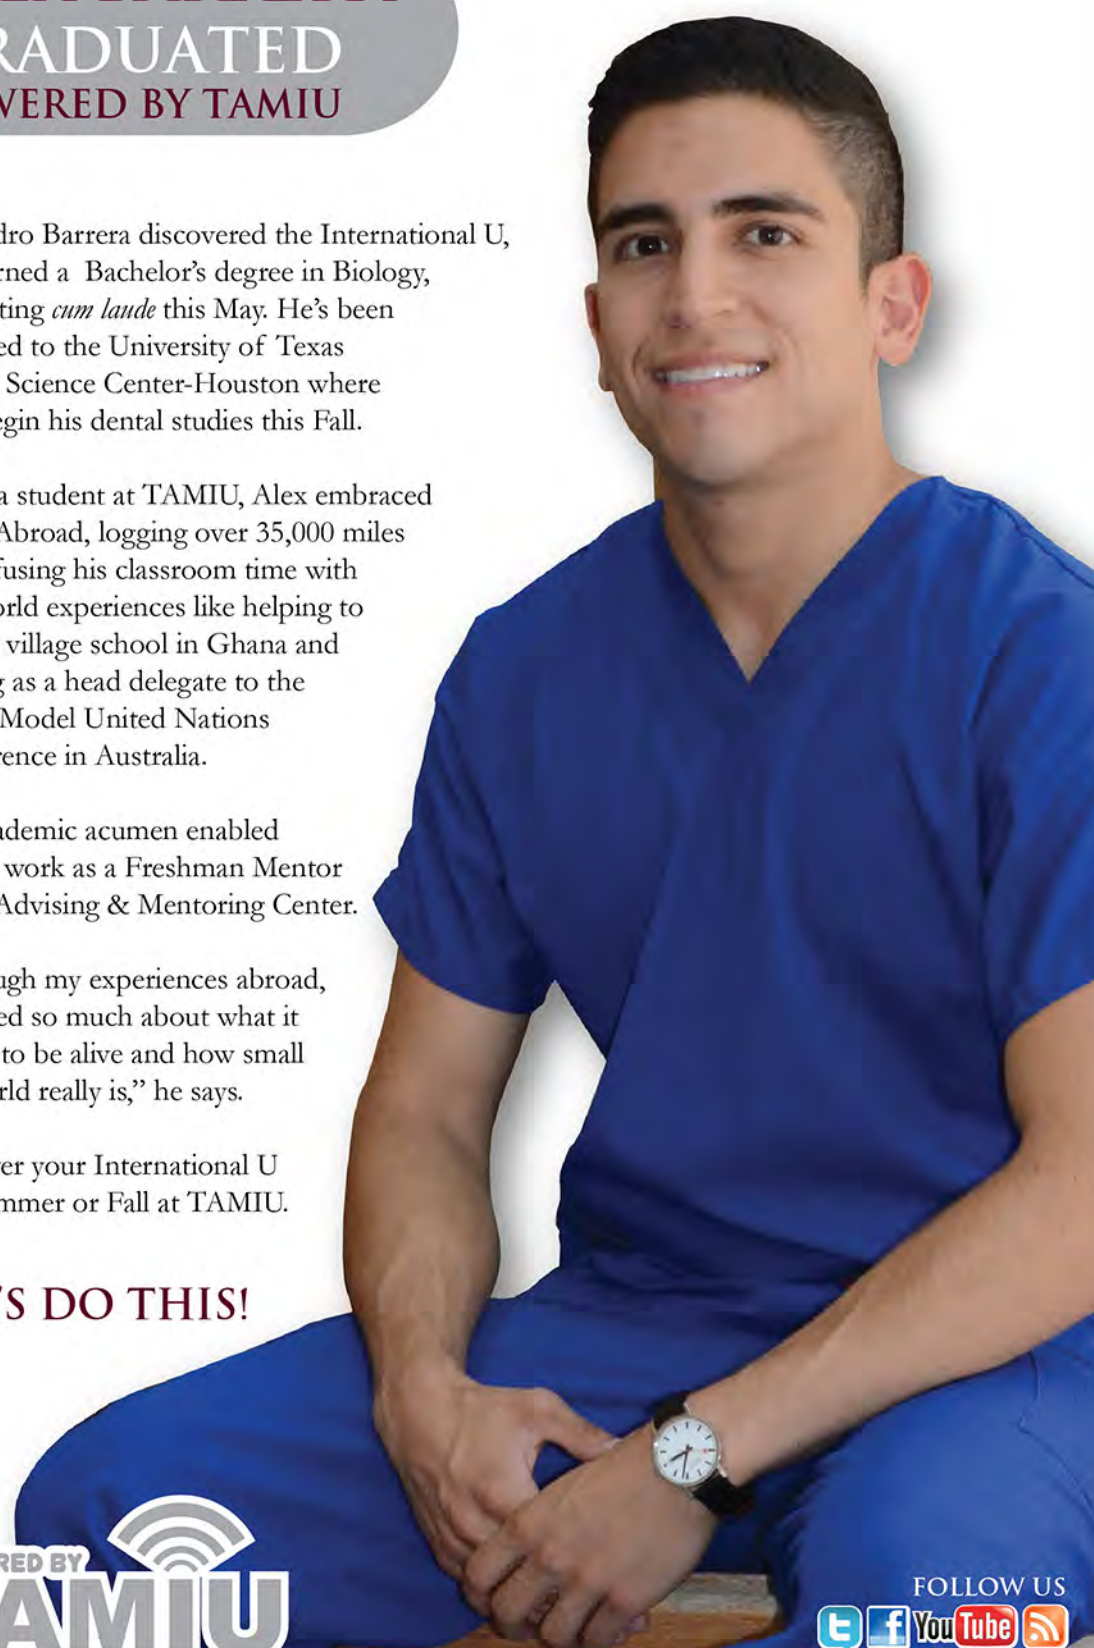

"Through my experiences abroad, I learned so much about what it means to be alive and how small the world really is," he says.

## LUCERO DE LA FUENTE GRADUATED POWERED BY TAMIU

Lucero De La Fuente discovered the International U, earning a B.S. in Communication Disorders. Active in student life and community service, she feels TAMIU provided a focused undergraduate preparation.

Her TAMIU degree helped her earn acceptance into a highly competitive graduate program at Texas State University. Of 458 applicants, Lucero was one of only 27 students chosen for the M.S. in Communication Disorders with a specialization in Bilingualism.

This year, she was named the only bilingual student to receive the First Year Graduate Clinician of the Year Award. The Award was based on her clinical skills, research participation and all-around outstanding student performance.

Lucero is eager to complete her degree and looks forward to applying it in service to others.

## CHRISTINA AND JORGE NAZARIN GRADUATED EMPLOYED

### POWERED BY TAMIU

Jorge Nazarin discovered the International U, earning a Bachelor's degree in Finance. He's put it to good use, launching Laredo's first store dedicated to the growing community of runners, Momentum Running Co.

"The challenges I'm tackling, the community resource I'm building and the success I'm enjoying...all were made possible by the education I received at TAMIU," he observes.

TAMIU also introduced him to his wife Christina, who also discovered the International U by earning a Master's degree in Public Administration. Today, she applies her degree by working with Laredo's Main Street program, which targets the revitalization of downtown Laredo.

Not surprisingly, both bring balance to their lives by serving their community as avid leaders...and runners, of course.

## MELANIE SOMERVILLE GRADUATED POWERED BY TAMIU

Melanie Somerville discovered the International U, earning a Master's degree in Counseling Psychology. A mother of two adult daughters, she's now completing her Ph.D. program in Counselor Education and Supervision at St. Mary's University in San Antonio. She's been a member of TAMIU's adjunct faculty and is eager to return to a classroom in the future.

When not in the classroom, you'll find Melanie enjoying a lifelong passion for fitness or demonstrating her defining belief in the importance of finding and practicing compassion...and perhaps harvesting a salad from her cherished home garden!
