# College of Nursing & Health Sciences

The mission of the College of Nursing and Health Sciences and its Dr. F. M. Canseco School of Nursing is to prepare professional nurses to improve the well-being of complex and diverse populations. It is in a unique position, as a result of geographic location and institutional affiliation, to prepare professional nurses to improve the well-being of complex, multicultural and diverse populations. Faculty believe that professional nursing education must address a wide range of health beliefs in combination with dynamic political, social, economic and legal issues.

Curriculum focuses on traditional and trending ideologies to care for patients.

...National Council Licensure Examination (NCLEX-RN).

We have 3G, hi-fidelity simulated mannequins that are above the national standard.

...Employment placement.

...95% of faculty are current practicing nurses.

Technology is top-notch, offering students a medicine dispensing machine, hospital docking stations, and simulated hospital rooms.

The Dr. F. M. Canseco School of Nursing is accredited by the Accreditation Commission for Education in Nursing.
