Academic Issues											
List the classes in which you had no absences:											
List the classes in which you had more than 3 absences:											
Check the item(s) below to indicate how you deal with obstacles to understanding material presented in											
class:											
0	Speak with professor										
0	Speak with advisor or mentor										
0	Go to tutoring or Supplemental Instruction										
0	Join a study group										
0											
0	Don't do anything										
	the following types of tests wi	ith which you experi-	ence difficulty, if applicable.								
0	Multiple Choice	Jon Willen Jon onport									
0	Essay										
0	Fill-in-the-blank										
0	Short Answer										
0	True/False										
0	Performance-Based / Hands-On Demonstrations										
0	Other (please specify):										
0	I do not have difficulty taking tests.										
	the response(s) below to indic	÷	arning style(s), if you know:								
0	Visual										
0	Auditory										
0	Tactile/Kinesthetic										
0	Don't know										
Do you experience academic difficulties in large classes (e.g., 75 students or more)?											
Do you	u have difficulty concentrating	when you read?									
Have you ever taken a class for which you did not understand the syllabus?											

Have you ever taken classes that you either did not like or did not hold your attention? If so, list them below.

List campus resources that you know offer special services to students:

Which of these resources have you used?

Do you have a quiet place to study with no distractions?

Do you think you need to consider changing your major? Why or why not?

Have you passed all the courses you have taken that were related to your major?

Personal Issues

Did you have personal issues that impacted your studies?

Examples are:

- Worried about parents' expectations
- Financial concerns
- Little or no motivation
- Homesick
- Relationships
- Health problems
- Use of alcohol and/or drugs

Did you work during the previous semester?

If yes, how many hours per week?

Was your work on or off-campus?

In which student organizations are you an active member?

DIADCA	nrovida	enacitic an	halietab h	answers to	tha a	mactions h	
I ICase	provide	specific an	lu uctaneu	answersto	une u	juestions o	CIUW.

What do you feel were the most important reasons for your academic difficulty?

How do you plan to improve your grades this semester?

What kind of help do you feel you need to improve academically?

Identify two (2) resources you will use while on academic probation to enhance your academic performance.

How will your demands on your time be different this semester?

What is your GPA?

What do you predict your GPA will be at the end of the next semester?
