Alma Mater

A Song for Texas A&M International University

Near to Rio Grande's waters, stately towers above the plain, 
Stands our noble Alma Mater, wisdom raised for all to gain.

Binding nations, hearts and visions, aspirations ever new, 
Hail to Thee, our Alma Mater! 
Hail to Thee, dear TAMIU!

Here, 'neath sun and gentle breezes, dove and deer lodge safely by, 
May Thy children, safe in wisdom, flourish ever 'neath Thy sky. 
Pledge we faith and homage ever, joined in our diversity, 
May time ne'er efface the memory of our University!

Binding nations, hearts and visions, aspirations ever new, 

Hail to Thee, our Alma Mater! 
Hail to Thee, dear TAMIU!

Lyrics by Ray M. Keck, III, Ph.D., President

ARTICLE 1. PURPOSE OF THE STUDENT HANDBOOK

TAMIU provides undergraduate and graduate level course work in the four colleges (College of Arts and Sciences (COAS), College of Education (COED), College of Nursing and Health Sciences (CONHS), and University College) and two schools (A.R. Sanchez, Jr. School of Business and Graduate School) of the University. In the tradition of American higher education, TAMIU transmits and creates knowledge, provides an opportunity for the personal growth and development of individuals, supports the spirit of free inquiry, and contributes to the improvement of its surrounding society. The University recognizes its special obligation to serve the higher education needs of South Texas, while serving the larger communities of Texas, the United States, and the world.

It is the responsibility of the administration, faculty, staff, and students to be aware of and abide by all approved policies, procedures, rules, and regulations set forth by The Texas A&M University System Board of Regents that are posted on the System website or that are disseminated through handbooks and manuals to all component campuses that make up The Texas A&M University System (TAMUS). The TAMIU Student Handbook, which contains a description of the rights and responsibilities of all students enrolled at this institution, is posted on the University website for quick reference and easy access to students, faculty, and staff.

The statements set forth in the Student Handbook should not be construed as the basis of a contract between the student and the institution.

While the provisions of the Student Handbook will ordinarily be applied as stated, TAMIU reserves the right to change any provisions listed without notice to individual students. It should be noted that all students are responsible for keeping abreast of any changes in regulations and/or procedures that may have bearing on their enrollment at TAMIU.

ARTICLE 2. STUDENT RIGHTS AND RESPONSIBILITIES

Section 2.01 Preamble

Academic institutions exist for the transmission of knowledge, the pursuit of truth, the development of students, and the general well-being of society. Free inquiry and free expressions are indispensable to the attainment of these goals. As members of the academic community, students should be encouraged to develop the capacity for critical judgment and to engage in sustained and independent search for truth.
Freedom to teach and freedom to learn are inseparable facets of academic freedom. The freedom to learn depends upon appropriate opportunities and conditions in the classroom, on the campus, and in the larger community. Students should exercise their freedom with responsibility.

The responsibility to secure and to respect general conditions conducive to the freedom to learn is shared by all members of the academic community. The purpose of this statement is to enumerate the essential provisions for the student freedom and responsibility to learn at TAMIU.

Section 2.02 The Texas A&M University System Policies

The rights of students are to be respected. These rights include respect for personal feelings, freedom from indignity of any type, freedom from control by any person except as may be in accord with published rules of the System academic institutions, and conditions allowing them to make the best use of their time and talents toward the objectives, which brought them to the System academic institutions. No officer or student, regardless of position or rank, shall violate those rights; no custom, tradition or rule in conflict will be allowed to prevail.

Students are expected at all times to recognize constituted authority, to conform to the ordinary rules of good conduct, to be truthful, to respect the rights of others, to protect private and public property, and to make the best use of their time toward an education.

TAMIU is a part of TAMUS and is required to follow all System policies and procedures as set forth by TAMUS. For more information, please visit: http://www.tamiu.edu/compliance/TAMIURulesSAPs.shtml.

Section 3.06 Financial Obligations

Students are expected to pay all financial obligations to the University when due. Failure to pay such obligations may result in the student being dropped from classes, exclusion from final exams, or further enrollment. Financial obligations are not limited to returned checks, returned check charges, lost or damaged library book charges, loss of damage to
instructional material or equipment, book loans, emergency loans, tuition and fees, installment loans, parking violations, and/or housing charges. Delinquent accounts are sent to a collection agency, and collection fees are an additional charge incurred by the student.

Section 3.07 Attendance Policy
A vital part of every student’s education is regular attendance of class meetings. Every faculty member keeps a current attendance record on all students. Absences may affect the quality of a student’s work and frequent absences may result in a failing grade or being dropped from one or more courses.

A student who abandons courses without officially withdrawing will receive a grade of “F” in each course, regardless of when that student stops attending classes. (See regulation entitled Refund of Fees).

To learn more about the Attendance Rule and specific excused absences, read Appendix A.

Section 3.17 Hazing

Hazing is a crime under Texas Law. It is also prohibited under this Code. Hazing includes encouraging hazing, permitting hazing, or having knowledge of the planning of hazing incidents and failing to report in writing his/her knowledge to the director of SOLE.

Both failing to report hazing and hazing that does not result in serious bodily injury are Class B misdemeanors. Hazing that results in serious bodily injury is a Class A misdemeanor. Hazing resulting in a death is a state jail felony. An organization found guilty of hazing may be fined $5,000 to $10,000 or, for incident causing personal injury or property damage, an amount doubles the loss or expenses incurred because of the hazing incident.
It is not a defense to prosecution that the person hazed consented to the hazing activity.

A person reporting a specific hazing incident to the University is immune from civil and criminal liability unless the report is made in bad faith. This include immunity to student conduct charges.

This State law does not limit or affect an education institution’s right to enforce its own penalties against hazing.

The Education Code (Texas Education Code, Chapter 37) defines hazing as “any intentional, knowing, or reckless act occurring on or off the campus of an educational institution by one person or acting with others, directed against a student, that endangers the mental or physical health or safety of a student for the purpose of pledging, being initiated into, affiliating with, holding office in, or maintaining membership in an organization.” The statute contains a list of conduct, which constitutes hazing.

Examples of hazing include, but are not limited to:

1. Any type of physical brutality such as whipping, beating, striking, branding, electronic shocking, placing of a harmful substance on the body, or similar activities.
2. Any type of physical activity that subjects the individual to risk or harm or that adversely affects the mental or physical health or safety of an individual, such as sleep deprivation, exposure to the elements, confinement in a small space, calisthenics, etc.
3. Any activity involving the large and/or unreasonable consumption of food, liquid, alcoholic beverages, drugs, or other substance which subjects the individual to risk of harm or which adversely affects the mental or physical health or safety of the person.
4. Any activity that intimidates or threatens the person with ostracism, subjects the individual to mental stress, shame, or humiliation, or adversely affects the mental health or dignity of the individual.
5. Any activity that induces or requires the student to perform a duty or task, which involves a violation of the Penal Code.

If you have knowledge of the planning or occurrence of a specific hazing incident, you must report it. Students who learn of hazing should report it via the TAMIU ReportIt form available at www.tamiu.edu/reportit or:

- University Police Department, Killam Library 005, 956.326.2100 or for emergencies contact 956.326.2911

- Campus security policies and procedures
- Security services available
- Campus crime statistics
- Campus security authorities
- Crime prevention

TAMIU does not discriminate on the basis of race, color, sex, religion, national origin, age, disability, genetic information, veteran status, sexual orientation, or gender identity in admissions, educational programs, or employment of faculty, administration, and staff.

Under Title IX of the Educational Amendments of 1972, sex discrimination includes all acts of sexual misconduct including sexual harassment, sexual assault, domestic violence, dating violence, stalking, and sexual exploitation; definitions for these terms can be found in 6.04 of this Handbook. For further information concerning the TAMIU Civil Rights procedures, please visit: Appendix F of this handbook and [http://www.tamiu.edu/compliance/Title%20IX.shtml](http://www.tamiu.edu/compliance/Title%20IX.shtml).

All incidents of sex discrimination should be reported to:

Section 3.24 Campus Sex Crimes Prevention Act
The Campus Sex Crimes Prevention Act is a federal law that provides for the tracking of convicted, registered sex offenders enrolled as students at institutions of higher education or working or volunteering on campus. The Act requires sex offenders to provide notice, to each institution of higher education in the State in which the person is employed, carries out a vocation, or is a student. The Act also requires that State procedures ensure this registration information is promptly made available to law enforcement agencies with jurisdiction where the institution of higher education is located and entered into appropriate State records or data systems.

In compliance with State and federal law, information about registered sex offenders may be obtained through the Texas Department of Public Safety Sex Offender Database: http://www.dps.texas.gov/.

Section 3.25 Pregnancy and Parenting
Under Title IX of the Education Amendments of 1972, harassment based on sex, including harassment because of pregnancy or related conditions, is prohibited. A pregnant/parenting student must be granted an absence for as long as the student's physician deems the absence medically necessary. It is a violation of Title IX to ask for documentation relative to the pregnant/parenting student's status beyond what would be required for other medical conditions. Parenting accommodations are available to both parents of a newborn, however, the cause for the reasonable accommodation must be related to the pregnancy or postpartum.

The University advises a pregnant or parenting student to notify his or her professor once he or she is aware that accommodations for such will be necessary. It is recommended that the student and professor attempt to work out the reasonable accommodations with each other. The Director of Student Conduct and Community Engagement (Mayra Hernandez, mghernandez@tamiu.edu) can assist the student and professor in working out the reasonable accommodations. In the event that a student will need a leave of absence from the University for a substantial period of time, the University encourages the student to
consider a Leave of Absence (LOA) as outlined herein. As part of our efforts to assist and encourage all students towards graduation, TAMIU provides LOA’s for students, including pregnant/parenting students, in accordance with the Attendance Rule and the Student LOA Rule.

Students may file complaints of discrimination due to pregnant or parenting status with the TAMIU Title IX Coordinator (Lorissa Cortez, 5201 University Boulevard, KL 159B, Laredo, TX 78045, TitleIX@tamiu.edu, 956.326.2857) and/or the Office of Civil Rights (Dallas Office, U.S. Department of Education, 1999 Bryan Street, Suite 1620, Dallas, TX 75201-6810, 214.661.9600).

Section 3.26 HIV/AIDS
TAMIU will not use a person’s HIV status to make employment or admission decisions nor to determine how services are delivered, except as allowed by state or federal law. The University will not ask students if they are HIV positive. HIV positive students are allowed to attend class without restriction as long as the students is physically and mentally able to participate and perform assigned work and reasonably poses no health risk to others. Educational pamphlets are available, upon request, at Student Health Services located in Student Center 125 or call 956.326.2236.

Section 3.27 Bystander Provision
TAMIU encourages and trains students to respond to others in a moment of need. Green Dot is a movement, a program, and an action. The aim of Green Dot is to prevent and reduce power-based violence at TAMIU by engaging students as active bystanders who step in, speak up, and interrupt potential acts of violence. The Green Dot movement is about gaining a critical mass of students, staff and faculty who are willing to do their small part of actively and visibly reduce power-based personal violence.

The best way to get involved with Green Dot and maximize your impact as an active bystander is to attend Green Dot Bystander Training. The training is free. At this training you will learn the skills of being an active bystander, examine your own barriers to taking action, and ultimately gain the ability to intervene early on in situations that could lead to violence. Section 3.28 Student Travel
Student travel that includes both student organization(s) and non-student organization(s) traveling internationally or domestic, must submit paperwork via the Trailblazers webpage: https://tamiu.campuslabs.com/engage/. Proper documentation will be required

ARTICLE 4. CLASSROOM BEHAVIOR & ACADEMIC DISPUTES
The University respects the rights of faculty members to teach and students to learn. Behavior that interferes with the conduct of the class may result in disciplinary action.

Section 4.01 Classroom Behavior
When a student’s behavior in a class is disruptive to a degree that immediate action is warranted, the faculty member has the authority to remove a student from the class on an interim basis. A student who has been removed from a class on an interim basis is entitled to an informal hearing before the head of the department offering the course within three working days of the removal. The department head may either:

1. Approve an agreement of expectations between the student and the faculty member and reinstate the student to the class, or
2. Extend the removal of the student from the class and refer the case to the Office of Student Conduct and Community Engagement (SCCE) for review and resolution. A copy of all material sent to the Office of Student Conduct should be provided to the faculty’s academic Dean or designee and to the student’s academic Dean or designee.

When a student’s conduct requires immediate removal from the class, these steps are to be followed:

A. The faculty member responsible for the class or activity where the alleged disruptive behavior occurred should inform the student that the behavior is inappropriate. The
faculty member should describe to the student specific needed changes in the student’s behavior. The student will be provided an opportunity to modify his/her behavior in accordance with the changes identified. The faculty member will provide the student with a written, dated summary of his/her discussion with the student, and the faculty member will retain a file copy of this summary.

B. If a student believes the faculty’s expectations are unreasonable, he/she may confer with the faculty’s department head about this matter. The department head may choose to support the guidelines developed by the faculty, or he/she may work with the faculty to develop a modified set of expectations. If there are changes in the faculty’s original set of expectations, a signed and the department head will provide dated copy to both the student and the instructor.

C. Should classroom conduct issues continue, the faculty will apprise the faculty’s department head of what has occurred and will share with the department head the written summary of the discussion with the student. The department head may initiate additional discussion with the faculty and/or the student. If the department head concurs with the faculty’s view that the problem has not been resolved, the situation may be referred to the SCCE. A memorandum briefly describing the student's behavior, as well as a copy of the written summary of the faculty's discussion with the student and any other related material, should be forwarded to the SCCE for review. A copy of all material sent to the SCCE should be provided to the faculty’s academic Dean or designee and to the student’s academic Dean or designee.

Section 4.02 Disputes over Academic Matters

Faculty members are responsible for determining the curriculum of a course, for developing appropriate methods of evaluating student learning, for evaluating fairly, for upholding academic standards, and for enforcing policies concerning academic honesty. Decisions made by faculty members regarding the quality or integrity of student work, including decisions about course grades, are presumed proper. In cases of academic dishonesty students may be subject both to grade sanctions and disciplinary action (see Student Violations of Academic Integrity below) and cannot be overturned by administrative officers. Students who believe that they have grounds for challenging faculty decisions regarding academic issues-excepting those pertaining to matters of academic freedom-may appeal using the procedure outlined below. Faculty members are required to report such serious breaches of academic honesty to their chair, their Dean, the Provost, the Honor Council through the Office of Student Conduct and Community Engagement, and the Vice President for Student Success.

Grade sanctions may be imposed only by faculty members. Academic suspension or expulsion may be imposed only by the Provost, as specified in the Faculty Handbook. As with
disputes about course grades, students may appeal grade sanctions for academic dishonesty only by following the procedure outlined below.

Except under extenuating circumstances, the process outlined below for student appeals of faculty academic decisions should be completed within 15 University business days after the student’s first meeting with the faculty member to question the faculty member’s decision.

1. The student must first meet with the faculty member and discuss the faculty member’s decision. This meeting should occur as soon as possible after the decision has been made, normally within one week of the student being notified of the decision. The faculty member is expected to listen to the student, provide an explanation for his or her decision, and be willing to change the grade or decision if the student’s argument is persuasive. To change final course grades, a faculty member must submit a “Grade Change Form” and attach an accompanying memorandum justifying the decision to change the grade. The faculty member’s department chair and Dean must approve the change.

2. If the faculty member declines to change the decision or grade, the student may then discuss the matter with the faculty member’s department chair or immediate academic supervisor (hereafter, “chair” will be used to mean either the department chair or the immediate academic supervisor). If the chair believes that the student’s claims may have merit, the chair will discuss the matter with the faculty member.

3. If the student is not satisfied with the chair’s assessment of the issue or if the faculty member declines to change the decision after discussing it with the chair, the student may then request that an ad hoc committee of faculty members review the matter. This committee consists of three tenured faculty members, generally within the same discipline or department. If the chair determines that a tenured faculty member cannot be selected from the same discipline or department, then the chair may add tenured faculty member from closely related disciplines. From the pool of eligible tenured faculty members designated by the chair, the faculty member, the student, and the chair will each nominate one faculty member to serve on the committee.

4. The ad hoc committee will hear from the student, the faculty member, and the chair and examine relevant documents. If the committee sustains the faculty member’s decision, the committee will provide the student with a written statement explaining the reasons for the committee’s decision. The student may request in writing that the committee reconsider its decision and provide reasons for so doing. If the committee refuses to reconsider or if it reaffirms its original recommendation, then the matter is considered settled and the faculty member’s original decision stands. If the committee concludes that the faculty member should alter his or her original decision, the committee will provide the faculty member with a written recommendation explaining the committee’s reasons.
If the faculty member disagrees with the committee’s recommendation, he or she must provide the committee with a written explanation of the rational.

5. If after considering the faculty member’s explanation for not altering his or her decision the ad hoc committee is still persuaded that in the interest of justice to the student the decision should be overturned, then the committee may recommend in writing to the chair that the faculty member’s decision be overturned. The committee may also make this recommendation to the chair if the faculty member fails to alter his or her decision and also fails to respond to the committee’s original recommendation. The faculty member would receive a copy of the recommendation to the chair and would have a final opportunity to alter his or her original decision. If the faculty member does not do so, then the chair, and only the chair, would be empowered by the written recommendation of the committee to override the faculty member’s original decision, and, if pertinent to the case, to alter the student’s course grade. In order to certify that the grade dispute process outlined above has been followed appropriately, the Dean of the College or the School and the Provost will review all decisions by chairs to change grades against the will of a faculty member.

Section 4.03 Grievances Against Faculty

Conflicts between a faculty member and a student that do not relate to faculty decisions regarding such academic issues as course policies and grades are considered grievances. The process for resolving grievances between faculty members and students is as follows.

1. Before a grievance is filed, the aggrieved faculty member or student must make a good faith effort to meet with the other party about his or her concerns. If the other party is unwilling to meet, if the aggrieved party has reasonable concerns about his or her physical safety, or if the meeting does not produce a resolution, then the aggrieved party may initiate a grievance by following the steps outlined below.

2. If the grievant is a faculty member, he or she will file a written complaint via the Report It form. If the grievant is a student, he or she will file a written complaint with the faculty member’s department or division chair. In either case, both parties will receive a written acknowledgement of the complaint within five University business days.

3. The student and faculty member will meet with the Director of SCCE or designee and the faculty member’s chair. Both the faculty member and the student must be present, unless one party waives that right. This meeting will take place within five University business days of the acknowledgement of the grievance.

4. If the complaint remains unresolved after meeting with the department chair and the director of SCCE or designee, then within five University business days of the meeting with the chair and the director of SCCE or designee, both the student and the faculty member will meet with either the dean of the respective college (or academic
administrator to whom the chair reports) if the grievant is a student, or with the Vice
President Student Success if the grievant is a faculty member. Both the faculty
member and the student must be present, unless one party waives that right.

5. If the complaint remains unresolved after that meeting, it will then be heard within
five University business days by an ad hoc committee consisting of the faculty
member’s department or division chair, the director of SCCE or designee, a member
of the Student Government Association selected by the president of the Student
Government Association, a member of the Faculty Senate selected by the Faculty
Senate president, and a person selected by the non-grieving party from his or her
peers. The chair of the committee will be the director of SCCE or designee if the
grievant is a faculty member, or the department chair if the grievant is a student. The
chair of the committee will ensure that the committee is formed appropriately and
meets on schedule. After hearing from both sides in the dispute and examining
whatever documentation has been provided by the parties involved, the ad hoc
committee will make its recommendation in writing to either the Provost or the Vice
President Student Success, as appropriate.

Both parties involved in the complaint should receive the written recommendation
within three University business days after the committee concludes its deliberations.

6. The Provost or the Vice President of Student Success will notify in writing both parties
of his or her final decision to resolve the grievance within three University business
days of receiving the committee’s recommendation.

ARTICLE 5. HONOR PLEDGE

On my honor, as a member of the TAMIU community, I pledge to uphold the values of
respect, integrity, service and excellence throughout my academic and professional
career.

ARTICLE 6. THE STUDENT CODE OF CONDUCT AND STANDARDS

Students are members of the University community and assume full responsibility for proper
conduct until their separation from the institution. Misconduct at the University is not
acceptable. All students at the University have a responsibility to ensure the honesty of
others through their own individual actions and deeds.

Conduct standards at the University are set forth in writing in order to give students general
notice of prohibited behavior. These prohibited behaviors should be read broadly and are
not designed to define prohibited conduct in exhaustive terms.
Section 6.01 Philosophy Statement

The TAMIU community is committed to fostering a campus environment that is conducive to academic inquiry, a productive campus life and thoughtful study and disclosure. The student conduct program is committed to an educational and developmental process that balances the interests of individual students with the interest of the University community.

At TAMIU, student members of the community are expected to uphold and abide by certain standards of conduct that form the basis of the Student Code of Conduct. These standards are embodied within a set of core values that include respect, integrity, service and excellence.

Students charged with misconduct are entitled to due process, including notice and a reasonable opportunity to respond to the charges before charges are adjudicated. Conduct determinations will be based upon a preponderance of the evidence standard; that it is more likely than not that a violation occurred. Sanctions are intended to be proportionate to the severity of the violation and to the cumulative conduct history of the student. The student conduct process is not a criminal civil legal proceeding.

Students at the University are provided a copy of the Student Handbook annually in the form of a link on the University website and/or Uconnect. Students are responsible for having read and abide by the provisions of the Student Code of Conduct.

**Identification.** Failure to present identification upon the request of a University official or law enforcement officer.

**Harassment.** Any unwelcome conduct by an individual(s) against another individual that is sufficiently severe, persistent or pervasive that it alters the conditions of education or employment and creates an environment that a reasonable person would find intimidating, which includes conduct based on actual or perceived status (sex, gender identity, race, color, age, national origin, disability, veteran status, religion, sexual orientation, genetic information, or other protected status consistent with System Regulation 08.01). This behavior includes, but is not limited to, verbal abuse, threats, intimidation, and coercion. In addition, harassment may be conducted by a variety of mediums, including but not limited to, physical, verbal, graphic, written, or electronic.

**Hazing.** Any act that endangers the mental or physical health or safety of a student, or that destroys or removes public or private property; and/or assisting, directing, or in any way causing others to participate in degrading behavior and/or behavior that causes ridicule,
humiliation, or embarrassment; and/or engaging in conduct which tends to bring the reputation of the organization, group, or University into disrepute for the purpose of initiation, admission into, affiliation with, or as a condition for continued membership in a group or organization; or as part of any activity of a recognized student organization, student group, or special groups. Previously relied upon "traditions," (including fraternity/sorority, or any other group or organization activity, practice or tradition) intent of such acts, or coercion by current or former student leaders of such groups, or former students will not suffice as a justifiable reason for participation in such acts. It is not a defense that the person (or group) against whom the hazing was directed consented to, or acquiesced to, the behavior in question. Refer to Sect. 3.17 Hazing for examples. Hazing is also a violation of Texas State Law. (See the Sec. 2 Ch. 4, Education Code)

Hostile Environment. A situation in which there is harassing conduct based on a legally protected status that is sufficiently severe, persistent or pervasive to create a work or educational environment that a reasonable person would consider intimidating or abusive. The determination of whether an environment is "hostile" must be based on all of the circumstances, which may include the frequency of the conduct, the nature and severity of the conduct, whether the conduct was physically threatening or humiliating, and the mental or emotional effect of the conduct on the individual subjected to the alleged illegal discrimination, sexual harassment and/or related retaliation. Petty slights, annoyances, and isolated incidents (unless extremely serious) will not rise to the level of illegality or policy violation.

Inattentive Driving. Driving in a manner that recklessly or negligently endangers the health and/or safety of oneself or others.

Non-Consensual Sexual Contact. Any intentional physical contact, however slight, with or without an object, by any person upon another person that is without consent and/or by force. Sexual contact includes intentional contact with the breasts, buttocks, groin, or genitals, or touching another with any of these body parts, or making another touch you or themselves with or on any of these body parts; or any other intentional bodily contact in a sexual manner.

Off-Campus Conduct. When a student is alleged to have violated the Student Code of Conduct by an offense committed off of University premises, the University may investigate and adjudicate. The University may take action in situations occurring off University premises involving: student conduct that may cause harm to another, result in damage to property, or otherwise adversely affect the University community and its standing in the community. This action may be taken for either affiliated or nonaffiliated activities. If the Vice President for Student Success determines that the offense affects the University as
stated above, then the SCCE shall hold an administrative hearing to consider whether the offense is of such nature as set out above, whether or not the student committed the offense, and take appropriate action. The action of the University administrative hearing officer shall be made independent of any off-campus authority.

**Physical Abuse.** Any attempt to cause injury or inflict pain, or any act causing injury or inflicting pain. Also causing physical contact with another when the person knows or should reasonably believe that the other will regard the contact as offensive or provocative. It is not a defense that the person (or group) against whom the physical abuse was directed consented to, or acquiesced to, the physical abuse.

The physical abuse rule is not intended to prohibit the following conduct:

1. Customary public athletic events, contests, or competitions that are sponsored by the University or the organized and supervised practices associated with such events; or
2. Any activity that furthers the goals of a legitimate educational curriculum, a legitimate extracurricular program or a legitimate military training program as defined and approved by the University.

**Retaliation.** Any adverse action against an individual who has participated in a protected activity and/or an investigation, hearing, or inquiry by the University. There must be a causal connection between participating in the protected activity and the adverse action.

**Sexual Exploitation.** Non-consensual or abusive conduct that attempts to take sexual advantage of another for his or her own advantage, benefit, or gratification, or to benefit or advantage anyone other than the one being exploited, including but not limited to secretly videotaping sexual activity, voyeurism, sexually-based stalking, and knowingly transmitting a sexually transmitted infection to another person.

**Sexual Harassment.** A form of sex discrimination. Unwelcome sexual advances, requests for sexual favors and other verbal, nonverbal or physical conduct of a sexual nature constitute sexual harassment when this conduct is so severe, persistent or pervasive that it explicitly or implicitly affects an individual’s employment, unreasonably interferes with an individual’s work or educational performance, or creates an intimidating or hostile work or educational environment. Unwelcome means that an individual did not request or invite it and considers the conduct to be undesirable or offensive. Submission to the conduct or failure to complain does not always mean that the conduct was welcome. Sexual harassment may be quid pro quo (“this for that”) or may constitute a hostile environment. Sexual harassment includes non-consensual sexual contact, sexual assault, sexual exploitation, and stalking, dating violence, and domestic violence when based on sex.
**Stalking.** Knowingly engaging in conduct, including following a person, that one reasonably believes is threatening the bodily injury or death of themselves, a member of their family or household, or their property.

**Theft.** Unauthorized removal or stealing and/or attempting removal or stealing of a member of the University community or other personal or public property, on or off campus. This includes knowingly possessing such stolen property. This also includes theft of services and/or misuse of another’s property including, but not limited to, unauthorized use of another’s property, unauthorized selling of subsidized tickets, and use of a forged parking permit.

**Traffic Obstruction.** Obstruction of the free flow of pedestrian or vehicular traffic on University premises or at University-sponsored or supervised activities.

**Unauthorized Entry.** Unauthorized entry into or use of University facilities or property.

**Unauthorized Recording.** Any unauthorized audio or video recording of another without his/her prior knowledge, or without his/her consent when there is a reasonable expectation of privacy and/or such recording is likely to cause injury or distress. This includes but is not limited to surreptitiously taking picture of another person in a gym, locker room, or restroom or recording administrative meetings with University officials.

**Unauthorized Representation.** Unauthorized representation of the University or any recognized entity of the University.

**Property Damage.** Behavior that destroys, damages, or does harm to the property of the University, or the property of another, on or off campus premises.

**Violation of Law.** Any act that violates federal, state, or local laws is a violation of this Code.

**Violation of National Collegiate Athletic Association (NCAA) Regulations.** Violations of any NCAA regulations.

**Violation of Published University Rules.** Violation of any System or University policy, rule, or regulation, including, but not limited to University Housing contracts and rules, University motor vehicle rules, rules relating to the use of student identification cards, entry, smoke and tobacco-free campus rule, and use of University facilities and dining hall conduct.

**Violating Terms of any Disciplinary/Academic Sanctions.** Violating the terms of any disciplinary sanction (including failing to meet deadlines and/or committing a violation of
University rules while serving a probationary sanction) imposed in accordance with University rules.

**Weapons and Explosives.** Possession or use of firearms, fireworks, or explosives on University-owned or controlled grounds and property is prohibited. The term weapon may be defined as any object or substance designed to inflict a wound, cause injury or pain, or to incapacitate. Weapons may include, but are not limited to, all firearms, pellet guns, slingshots, martial arts devices, switchblade knives and clubs. Refer to System Policy 34.06.02 Weapons **

** Violation may be Clery Act reportable. Other conduct violations may be subject to review for Clery Act compliance on a case-by-case basis, which is available at http://www.tamiu.edu/adminis/police/index.shtml.

ARTICLE 7. ACADEMIC CONDUCT

As members in an academic community, students at TAMIU are expected to act with honesty and integrity in their pursuit of higher education, be mature, be self-directed and be able to manage their own affairs. Students who are unwilling to abide by these basic expectations may find themselves facing academic and disciplinary sanctions. Students are expected to share in the responsibility and authority with faculty and staff to challenge and make known acts that violate the TAMIU Honor Code. For more information on the Honor Code, please visit the Office of Student Conduct and Community Engagement website at https://www.tamiu.edu/scce/.

TAMIU Faculty have the authority to implement academic rules or impose grade penalties as appropriate. For more information, please visit the TAMIU Faculty Handbook available at http://www.tamiu.edu/senate/handbook.shtml.

Section 7.01 Violations of Academic Conduct

Academic dishonesty is any act, or attempt, which gives an unfair advantage to the student. Academic dishonesty includes, but is not limited to:

1. **Plagiarism** – The act of passing off some other person’s ideas, words, or works as one’s own. It includes, but is not limited to, the appropriating, buying, receiving as a “gift,” or obtaining, by any other means, another’s work for submission as one’s own academic work. Examples include, but are not limited to:
   a. If in a paper or assignment, you include material that you researched in a book, magazine, newspaper, and/or on the Internet, you MUST cite the source.

d. If you hand in the same paper in more than one class without the permission of the instructor.

2. **Cheating** – An act of deception in which a student misrepresents that he/she has mastered information related to an academic exercise. Examples include, but are not limited to:

   a. Copying from another student's test, lab report, computer file, data listing, logs, or any other type of report or academic exercise.

   b. Using unauthorized materials during a test.

   c. Consulting a cell phone, text messages, PDAs, programmable calculators with materials that give an advantage over other students during an exam.

   d. Using crib sheets or other hidden notes in an examination, or looking at another student's test paper to copy strategies or answers.

   e. Having another person supply questions or answers from an examination to be given or in progress.

   f. Having a person other than oneself (registered for the class) attempt to take or take an examination or any other graded activity. In these cases all consenting parties to the attempt to gain unfair advantage may be charged with an Honor Pledge violation.

   g. Deliberately falsifying laboratory results, or submission of samples or findings not legitimately derived in the situation and by the procedures prescribed or allowable.

   h. Revising and resubmitting a quiz or exam for regrading, without the instructor's knowledge and consent.

6. **Flagrant academic misconduct** – Repeated or severe violation(s) of the academic rule.

**ARTICLE 8. STUDENT CONDUCT DISCIPLINARY PROCEDURES**

**Section 8.01 Right to File Grievance Against Students**

Any member of the University community has the right to file a grievance against a student that is in violation of the Student Code of Conduct. Grievances should be filed in writing within 15 University business days of the discovery of the alleged infraction of the Student Code of Conduct to the Office of Student Conduct and Community Engagement via reporting system ([http://www.tamiu.edu/reportit](http://www.tamiu.edu/reportit)). The timelines for the grievance process may be extended for good cause shown or at the discretion of the Office of Student Conduct and Community Engagement.

**Section 8.02 Process**

University students do not surrender their individual rights as guaranteed to them by the United States Constitution. These include the right to due process. The purpose of the University disciplinary system is educationally based and is to decide if the student has misused or abused freedoms, violated System or University policies, rules, regulations or procedures, failed to accept responsibility for his or her actions; to communicate alleged misconduct, permit the student(s) to respond; determine appropriate action by the University; and assist the student(s) to develop a constructive response exhibiting self-discipline.

A University hearing is a function of the educational process. It is **NOT** an adversarial proceeding or trial in a court of law.
Section 8.03 Standard of Proof: Preponderance of the Evidence

The level of proof required at TAMIU in University disciplinary cases is a preponderance of the evidence. This means sufficient evidence to show that the facts are more likely to be true than not true.

Section 8.04 Good Cause Provision

The survivor or victim of an alleged act of misconduct may be unwilling to serve as the complainant. In such circumstances, if the Vice President of Student Success and/or designee determine there is good cause for charges to be brought against the respondent(s) in the interest of the University community, the Vice President of Student Success and/or designee may proceed with complaint. In cases involving Civil Rights complaints, the Director of Equal Opportunity and Diversity will make the determination.

Section 8.05 Good Samaritan Amnesty

The health and safety of our students are of primary concern at TAMIU. TAMIU is committed to ensuring that students obtain timely medical assistance for themselves and fellow Dustdevils in the case of medical emergencies.

The Division of Student Success recognizes that the potential for disciplinary action by the SCCE may discourage students from seeking medical assistance for themselves or others in a time when medical attention is needed. The Good Samaritan Amnesty assists individuals whose judgment or health is affected due to the consumption of alcohol or controlled substances by removing impediments to seeking such assistance. Students are encouraged to contact the University Police Department, medical emergency professionals or other University officials when assistance is needed.

To learn about the process, please read Appendix E.

Section 8.06 No Contact Orders (No Communication Order)

No Contact Orders are directives issued by the Office of Student Conduct and Community Engagement or the Office of Compliance prohibiting contact or communication between or among designated students. No Contact Orders (NCOs) are issued when, in the judgment of a Student Conduct Administrator or Director of Equal Opportunity and Diversity/Title IX Coordinator, there is reason to believe that an order would be in the best interest of all parties and the community for promoting peace, civility or maintaining the integrity of an investigation. The NCO does not imply any judgment regarding the factual nature of the incident. NCO's do not become part of a student’s conduct record unless they violate the order as determined by the student conduct system or NCO is imposed as a sanction. NCO’s prohibit all forms of communication between designated students, direct or indirect, written,
electronic or through a third party. The director of SCCE (or designee) or Director of Equal Opportunity and Diversity/Title IX Coordinator determines the duration of a NCO. Students may request that a NCO be lifted after a sustained period of compliance.

No Contact Orders are not court imposed restraining orders and do not guarantee that designated parties will avoid sightings or passing interactions on the campus or local community. In some circumstances, no contact Orders may restrict students from parts of the campus not necessary for required academic activities.

Students who are concerned about personal safety should contact the Campus Safety Department 956.326.2100 at Killam Library 005 or local police.

Students who have questions about NCO’s may speak with a Student Conduct Administrator during business hours at 956.326.2265 or visit Student Center 226.

Section 8.07 Advisor Role During Student Conduct Proceedings

Students are responsible for communicating the following guidelines to their advisors:

1. Each student has the opportunity to select an advisor at his or her discretion and at his or her own expense.

2. Attorneys, counselors and advisors may attend as advisors, but they are not permitted to advocate for a student at a University student conduct proceeding. A request that an advisor be present must be made in writing a minimum of three University business days before the scheduled student conduct proceedings.

3. Students who are charged in the same fact pattern, or who are not in good standing with the University are not eligible to serve as an advisor at student conduct proceedings.

4. Each student is responsible for presenting his or her own information. Therefore, a student should select as an advisor a person whose schedule allows attendance at the scheduled date and time for the conference. Student conduct proceedings will not be delayed due to scheduling conflicts of an advisor.

Section 8.08 Civil Rights Complaints and Disciplinary Procedures

For complaints involving student conduct disciplinary procedures that constitute sexual violence, discrimination, and/or harassment refer to Section 3.23, above, for further information.
ARTICLE 9. STUDENT CONDUCT PROCEEDING

Any student whose conduct is the subject of a complaint by any member of the University community or who is alleged to have violated the Student Code of Conduct and/or any regulations of TAMIU or TAMUS will be notified of the complaint or charge via e-mail and/or in person by the SCCE.

Following notification to SCCE, a Student Conduct Administrator will conduct an investigation of the facts and circumstances associated with the complaint. Investigation may result in charges, a form of alternative dispute resolution, or dismissal of complaint.

For academic conduct proceedings, please refer to Article 10.

Section 9.01 Investigation Process

The student against whom a complaint is made is a respondent. A respondent will receive notification via University email (unless other address(es) are necessary or appropriate) that an allegation has been reported.

The Student Conduct Administrator will schedule a conference with the student to provide information about the conduct process and to obtain an account of the events in question. The student is expected to attend the meeting. If there is a schedule conflict, the student may reschedule by calling 956.326.2265. Failure to attend the meeting may be a violation of the Student Code of Conduct and may result in the student conduct process moving forward without the student’s participation. The following will proceed:

1. A Student Conduct Administrator will meet with the student to explain the allegation.
2. A Student Conduct Administrator will explain the student conduct process, which include the student’s rights and responsibilities.
3. A Student Conduct Administrator will hear any statement that the student may wish to make.
4. Should the Student Conduct Administrator determine good cause exists to charge the responding student, all charges shall be presented to the responding student in written form via University email.
5. If the responding student is charged for violating the Student Code of Conduct, the responding student may:
   a. Accept responsibility at this time or during the course of the investigation; waive their right to an administrative hearing; and proceed directly to sanctioning phase as described in Article 11.
b. Does not accept responsibility to the charge and proceed to an administrative hearing as described in Sec. 9.03.

6. The respondent will be provided not less than three University business days to prepare for an administrative hearing unless the student waives this right in writing.

Section 9.02 Interim Actions

The Vice President of Student Success or designee may impose restrictions and/or interim actions pending the outcome of a campus hearing on alleged violations(s) of the Student Code of Conduct. Restrictions and/or interim actions may be imposed to ensure the health, safety and well-being of the University community.

Notification of interim actions will be made in writing (to the student's University email account unless other address(es) are necessary or appropriate) and will include the reasons for the interim action.

Upon a notification of charges, a student conduct proceeding will be scheduled as soon thereafter as feasible.

1. During an interim suspension, a student may be denied access to campus, campus housing and all other University activities or privileges for which the student might otherwise be eligible. During an interim suspension, it is the student responsibility to communicate with professors electronically to keep up with course work. Faculty member will provide accommodation to the extent that assistance is reasonably possible.

2. Interim suspension does not affect the student conduct process, which will proceed as scheduled, up to and through a student conduct conference or civil rights proceeding, if required.

3. If the sanction for a violation of the Code of Conduct is to suspend or expel the student, the sanction takes effect from the date of the interim suspension.

Section 9.03 Notice of Administrative Hearing

If a student does not accept responsibility to a charge, the case will move forward to an administrative hearing. Notice will be given to the respondent in writing and will be emailed to the student’s University-issued email account. Email notice is presumed to be delivered.

Section 9.04 Administrative Hearing

A student who disputes a charged violation of the Student Code of Conduct will receive an administrative hearing before the Director of SCCE or Administrative Hearing panel. The Director of SCCE or Administrative Hearing panel will hear the case, render a decision and
if found responsible for a violation, sanction the student. All outcomes will be communicated in writing.

The administrative hearing will be conducted by the following procedures:

1. Hearings will be closed to the public.
2. The respondent and the Student Conduct Administrator may arrange for witnesses to present pertinent information to the Director of SCCE (or designee) or Administrative Hearing Panel. Witnesses may provide this information to, and answer questions from the Director of SCCE (or designee), Administrative Hearing panel, Student Conduct Administrator and respondent. Character statements shall be accepted in written form only.
3. Documentation, student impact statements and other written statements will be accepted for consideration at the discretion of the Director of SCCE (or designee) or Administrative Hearing Panel. Student impact statements and other documents determined at the discretion of the Director of SCCE (or designee) or Administrative Hearing Panel, will be taken into consideration during the sanction phase only.
4. Procedural issues will be determined by the Director of SCCE (or designee) or Administrative Hearing Panel.
5. Upon receipt of all information accepted for consideration, the Director of SCCE (or designee) or Administrative Hearing Panel will deliberate in private to determine whether the respondent has violated the Student Code of Conduct as charged.
6. Administrative hearings may be recorded at the discretion of the Director of SCCE (or designee) or administrative hearing panel. Deliberations will not be recorded. The record shall be the property of the University and maintained in compliance with the Family Education Rights and Privacy Act (FERPA).
7. If a respondent fails to appear at an administrative hearing, the information in support of charges shall be presented, considered, and a decision will be made.
8. Concerns for the safety, well-being, and/or fears of confrontation of the complainant, respondent, or witnesses should be presented to the Director of SCCE (or designee) or Administrative Hearing Panel prior to hearing. Requests for accommodations will be in accordance to state or federal laws.
9. A respondent and advisor may attend the student conduct proceedings, excluding deliberations by the Director of SCCE (or designee) or Administrative Hearing Panel. The Director of SCCE (or designee) or Administrative Hearing Panel may remove any participant for disruptive behavior. Admission of any other person to the student conduct proceedings shall be at the discretion of the Director of SCCE (or designee) or Administrative Hearing Panel.
Section 9.05 Findings and Appeal

A finding of responsibility must be based upon a preponderance of the evidence. It may not be based solely upon a respondent’s silence during an administrative hearing. A respondent found responsible for a violation may accept or appeal the findings and/or the sanctions, either in whole or in part, as outlined in Section 9.07. A finding of “responsible” will result in sanction. A finding of “not responsible” concludes the conduct process and the case is closed.

Section 9.06 Notification of Outcomes

The outcome of an administrative hearing is part of the education record of the responding student and is subject to the protections of the Federal Education Rights and Privacy Act (FERPA). The University will inform the complainant bringing the complaint in writing of the final results of a hearing regardless of whether the University concludes that a violation was committed.

The notification of outcomes are sent to the students’ TAMIU email address unless other address(es) are necessary or appropriate.

Section 9.07 Appeal Requests (non-academic)

A student may request an appeal of the decision of the Student Conduct Administrator or Administrative Hearing panel by filing a Disciplinary Appeal Form (non-academic) to the Vice President of Student Success or designee, subject to the requirements below:

1. A decision or sanction imposed by the Student Conduct Administrator or Administrative Hearing Panel must be appealed by the student to the Office of Vice President of Student Success or designee within five University business days as of date of notification of the outcome.

2. The Vice President of Student Success and/or designee will determine whether the request asserts grounds, which merit an appeal. (see Grounds for Appeal, Section 9.08). The student, Vice President of Student Success and/or designee may request a meeting to discuss Disciplinary Appeal Form, and the appeal process and the merits of the appeal request. A meeting does not constitute the granting of an appeal request.

3. After receiving the written request for an appeal, the Vice President of Student Success or designee may:
   a. Deny the request for an appeal and decision will be final.
   b. Accept the appeal and ask an Appeals Panel to convene and hear the case to review information. Following committee review, the case, at the request of the Vice President of Student Success, outcome shall be considered final and binding.
Notice: Academic dishonesty appeals differ from other disciplinary matters. For more information on academic grade appeals, go to the Student Handbook - Classroom Behavior & Academic Disputes. To review academic dishonesty appeal process, proceed to Article 10.

Section 9.08 Grounds for Appeal Requests
Appeals requests are limited to the following grounds:
1. A procedural error occurred during the process, which had a direct and substantial impact on the outcome.
2. To consider new information, unavailable during the investigation or hearing, that could substantially impact the original finding or sanction. A summary of this new evidence and its potential impact must be included.
3. The sanction(s) imposed is substantially disproportionate to the severity of the violation.

Section 9.09 The Appeals Panel
An Appeals Panel is selected by the Vice President of Student Success and will consist of at least two University members. Concerns of bias must be brought to the attention of the Vice President of Student Success, in writing, within three University business days of notice of the panel members.

Section 9.10 Civil Rights Disciplinary Proceedings
Civil Rights Complaints follow different procedures as outlined in Appendix F. For information regarding these procedures, refer to Section 3.23 for further information.

Section 9.11 Failure to Complete Sanctions
Students are expected to comply with conduct sanctions within the timeframe specified by the director of Student Conduct and Community Engagement (or designee) or Administrative Hearing Panel. Failure to complete conduct sanctions by the date specified, whether by refusal, neglect or any other reason, may result in additional sanctions, including suspension from the University. In such situations, resident students may be required to vacate University housing within twenty-four (24) hours of notification by the Director of SCCE and/or Director of Housing and Residence Life (or designee. This deadline may be extended upon application to, and at the discretion of, the director of Housing and Residence Life and/or the Director of SCCE. A suspension will only be lifted when conduct sanctions are completed.
Section 9.12 Disciplinary Sanction Review Request

Upon completion of one semester of disciplinary probation or one semester of disciplinary suspension (not applicable for one semester suspensions or civil rights related sanctions) and upon completion of all educational sanctions/requirements, a student has the opportunity to request a review of their disciplinary probation or suspension status.

1. Request must be submitted to the director of SCCE or designee via an online Disciplinary Sanction Review Request Form. This request can only be submitted once.

2. This request is intended to provide a student with the opportunity to discuss in writing what they have done to pro-actively address their behavior while on disciplinary probation/suspension.

3. In considering this request, the student should provide information showing how they have been going above and beyond the basic requirements of their sanction(s). Students who fulfill the minimum requirements of their sanctions(s) will not be eligible for disciplinary sanction review.

4. A request for disciplinary sanction review should include, but is not limited to, information such as the following:
   a. Positive change in ethical decision making and personal accountability.
   b. Proof of counseling and/or assessment (if requested).
   c. Involvement in educational programs and academic progress.
   d. Community involvement/service.

5. Upon receipt of the request, it will first be reviewed by the director of SCCE or designee to determine whether or not the student meets criteria for review. If the director of SCCE or designee agrees that the student’s request meets any/all of the above-mentioned criteria, the student generally will be contacted within 15 University business days to schedule a “disciplinary sanction review meeting” with the director of SCCE or designee.

6. At this meeting, the student will have the opportunity to further discuss with the director of SCCE or designee why their disciplinary probation and/or suspension status should be modified or terminated. Modifications may not include new or increased sanctions.

7. After the meeting, the director of SCCE or designee will provide a recommendation and rationale for a decision to the Associate Vice President of Student Success for review and approval/denial.

8. Upon acceptance or denial of the recommendation the director of SCCE or designee, the Associate Vice President of Student Success will provide notice of the outcome to the student in writing within 10 University business days, except under extenuating circumstances.

9. If the director of SCCE or designee grants or denies the request, the decision shall include a written statement that explains the basis for the decision.
10. There is no appeal process for Disciplinary Sanction Review.

**ARTICLE 10. ACADEMIC CONDUCT PROCEEDINGS**

It is the policy of TAMIU that all faculty, administrators, staff, and students conduct themselves in a manner that is consistent with the values, integrity, reputation, and public trust of this University.

The TAMIU Honor Code provides employees and students notice of academic misconduct. It is the responsibility of TAMIU faculty, staff, administration, and students to be familiar with the information presented in the TAMIU Honor Code and to observe all provisions and procedures relating to the Code. Ignorance of this Code is not a defense to misconduct violations.

**Section 10.01 Honor Council Mission Statement**

It is the mission of the TAMIU Honor Council to serve as a centralized system established to respond fairly to academic violations of the TAMIU Honor Code.

**Section 10.02 Essential Functions of the Honor Council**

The Honor Council serves to provide faculty and students with a means by which they may report academic dishonesty, to provide students with a means of appealing charges of academic dishonesty, and to provide the Provost with recommendations regarding general academic sanctions or remedial efforts.

The Honor Council is the authority for the development and implementation of processes and procedures of the Honor System. Through the Office of Student Conduct and Community Engagement, this Council serves as the initial hearing body for cases involving academic integrity outside the scope of a course offered at TAMIU, and as an appellate body for students charged with violating the Honor Code during a course offered at TAMIU. The Honor Council is also responsible for maintaining records and for coordinating communication, prevention, training, remediation, and adjudication efforts. All proposed revisions to Honor Code will be submitted to Faculty Senate for review and disposition.

**Section 10.03 Membership of the Honor Council**

The Honor Council reports to the Provost. The Honor Council consists of at least ten 10 full-time faculty members and 15 University students. Five members constitutes a quorum, of which at least two members from each constituency (faculty and students) must be represented. At the first meeting of each year, the Provost will appoint the Chair and the Honor Council student representatives will elect a Vice-Chair. A faculty member will chair
the Honor Council with the Director of SCCE or designee serving as co-chair absent voting privileges, and the vice-chair shall be a student.

Voting members include:
1. At least 10 full-time faculty members (nine elected by the Faculty-at-large through the Faculty Senate elections process, 1 appointed by the Provost).
2. At least 15 TAMIU students, including at least one graduate student (12 appointed by the VP of Student Success and three appointed by the Provost).
3. Members must be elected and appointed by September 1st of each academic year. Faculty serve two-year terms; student members serve one-year terms. Both faculty and student representatives may serve more than one term on the Honor Council.
4. If faculty or student resigns or cannot complete term, a new member will be elected/appointed to finish the initial term.
5. The Honor Council will hold general meetings as needed.
6. General meetings and trainings are considered mandatory. In addition, all members are expected to attend at least one hearing per long-semester. Failure to adhere to mandatory general meetings and trainings will trigger a review of membership by the Honor Council.
7. A member may not vote when a case is considered a conflict of interest or may not be fair and impartial due to the nature of the case.

The Honor Council may consult with The TAMUS legal representative through the Office of the Provost as needed. A legal representative from the TAMUS will serve on the council in situations where there are obvious legal issues and concerns.

Section 10.04 Responsibility of Honor Council

Members of the Honor Council are expected to attend all general meetings and trainings. Members must also fulfill the following duties:

1. **Serve as an educator** – inform students, faculty, staff, and administrators about the TAMIU Honor System and its mission and policies; promote academic integrity on campus.
2. **Serve as a hearing panel member** – hear all information and render decisions on whether a student is responsible for violation. If the student is found responsible for the violation, the Honor Council will issue a proportional and educational sanction. Members must participate in at least one hearing per long semester.
3. **Serve as a case investigator** – investigate and gather information with reporter(s), witness(es), and alleged violator(s) as coordinated with the Office of Student Conduct and Community Engagement. This duty will include the ability to request information
in writing from faculty, witness(es), and alleged violator(s) as is necessary to ensure a fair hearing.

Section 10.05 The Role of the Chair and Vice-Chair

The duties of the Chair will be to call regular meetings, conduct meetings, serve as the official liaison with the SCCE, and provide leadership to the Council:

1. The Chair shall be selected from the faculty members of the Honor Council, and the Vice-Chair shall be selected from the student members of the Honor Council.
2. The Chair will present all cases to the Honor Council.
3. The Chair shall call a hearing to order. Should the Chair be unable to meet his/her obligations, the Vice-Chair will perform the duties of the Chair.
4. In the absences of the Chair and Vice-Chair, the Chair will designate a Chair Pro-temp, which must be a faculty Honor Council member.

Section 10.06 The Role of the Office of SCCE

In coordination with the Honor Council, the SCCE will confer with the Chair of the Honor Council to assess current academic cases involving students and will serve as the facilitator and investigator of information. The SCCE will:

1. Gather information based on submission of the Sanction Letter, and supporting documents submitted by the faculty member.
2. Provide notification of hearing date and time to student upon receiving notice from the student requesting a hearing by the Honor Council and letter of acknowledgement by SCCE.
3. Administer a Judicial Hold on the student file while the case is adjudicated and sanctions are imposed.
4. Serve the role of record keeper and case manager for all Honor Council meetings and/or hearings.
5. Notify the student of the outcome of the Honor Council meeting.
6. Include the faculty member, department/division Chair, Dean, and Provost as recipients of both the initial letter to the alleged student respondent and the final outcome notification letter.
7. Develop, implement and coordinate Honor Council trainings.

If the student fails to respond to the letter, the student waives his/her right to a hearing by the Honor Council, and the SCCE will retain the case for record. Student appeals of original allegation of academic misconduct must be submitted in writing within 10 University business days to the SCCE for Honor Council review.
Section 10.07 Faculty, Administrators and Staff Reporting of Honor Code Violations

Faculty (meaning any individual listed as the teacher of record for a course at the University, including adjuncts), administrators, and staff share in the responsibility and authority to challenge and make known acts that violate the TAMIU Honor Code.

Section 10.08 Responsibilities of Faculty

Faculty are expected to take proactive steps to promote academic integrity including, but not limited to:

1. Adding language to their syllabi that describes prohibited academic behavior and the consequences for misconduct.
2. Having an open discussion about academic integrity with students in their courses early in the semester.
3. Reporting academic misconduct, as required by the TAMIU Faculty Handbook.
4. Enforcing specified grade penalties for cheating or plagiarism, as outlined in their syllabi or as required by their department, college, or the TAMIU Faculty Handbook.

Upon finding a violation of the Honor Code, a faculty member has the responsibility to:

1. Assess the situation and impose an academic sanction on the student.
2. Send a sanction letter to the student’s TAMIU email account, within 10 University business days of the discovery of the alleged violation and arrange for a conference with the student, if at all possible.
3. Copy the Provost, Chair, and Dean of the department, the Office of the Registrar, the Dean of the Graduate School (if the student is in graduate school), and the SCCE on the sanctioning letter (email).
4. Submit copies of course-work, and the source of academic misconduct, to the SCCE through the “Report It” system online within 10 University business days of the discovery of the alleged violation.

All breaches of the Honor Code and violations of academic integrity must be reported to the SCCE through the Reporting System (http://www.tamiu.edu/reportit) within 10 University business days of the discovery of the alleged violation.

Section 10.09 Responsibility of Academic Administrators and Staff

Academic administrators and staff are expected to take proactive steps to promote academic integrity including, but not limited to:

Academic administrators and staff are expected to provide support to the faculty and the students in enforcing the Honor Code. Specifically, they should encourage faculty to be
proactive in informing students about the Honor Code and in teaching students’ appropriate ways to conduct and acknowledge research. Academic Administrators should also provide strong support to faculty who are appropriately and fairly enforcing the Honor Code. Staff, which includes graduate assistant teaching (GAT), graduate assistant research (GAR) and graduate assistant non-teaching (GANT), must report allegation of academic misconduct to the faculty of record in which the alleged misconduct occurred.

Information shared with the Office of Student Counseling and Disability Services is confidential.

**Section 10.10 Student Reporting Academic Misconduct**

Students must report academic misconduct to the Honor Council through the SCCE or to the faculty of the course in which the alleged violation occurred. Initiating formal procedures is a necessary and obligatory remedy when other methods are inappropriate or have failed (e.g., drawing attention to a suspected violation, peer pressure, etc.).

If a student is alleged to have violated the Honor Code but the class, department, and faculty cannot be identified, charges may be brought by anyone who has knowledge of the violation.

Intentionally false reports of academic misconduct is a violation of the Honor Code which will be adjudicated by the Honor Council or the SCCE.

**Section 10.11 Student Reporting Formats**

There are three student-reporting formats for the Honor Code violations: (1) general reporting, (2) confidential reporting, and (3) anonymous reporting. Each reporting format will initiate some action by the Honor Council and can potentially lead to the initiation of a case. All reports must be made in writing.

1. **General Reporting** - General reporting constitutes a submission of a report in which the reporting party is willing to fully identify him/herself to all involved in the case. This is the preferred reporting format and will ensure that all facts are obtainable.

2. **Confidential Reporting** - Confidential reporting constitutes a submission of reports in which the reporting parties are willing to provide their names to faculty and/or the Honor Council, but wish to have their names remain confidential through the proceedings of the case. Confidential reporting allows faculty and/or the Honor Council to contact the reporting party to gather further information when necessary.

3. **Anonymous Reporting** - Anonymous reporting constitutes a submission of a report in which the reporting party desires to remain anonymous. This report will be considered a tip and handled as such. The reporting party will not be identifiable and
cannot be contacted for further information on the case. An anonymous tip is not sufficient ground to initiate a charge; however, the tip can initiate an investigation.

Section 10.12 The SCCE Process

The student will receive a notification via University email or in person informing the student that an academic misconduct charge has been brought against him/her. Other forms of communication will be used when necessary or appropriate.

The SCCE will schedule an appointment with respondent to obtain an account of the events. The following will then occur:

1. A Student Conduct Administrator will meet with the student to explain the charge.
2. A Student Conduct Administrator will discuss the student’s rights and responsibilities.
3. A Student Conduct Administrator will explain the academic misconduct process.
4. A Student Conduct Administrator will hear any statement that student may wish to make for case file or Honor Council review.
5. Should the student respondent accept responsibility during the course of the meeting with faculty or Student Conduct Administrator, the respondent waives his/her right to an appeal.

Section 10.13 Student Advisor

Recognizing that participating in the student academic misconduct process can be a challenging experience for any student, a student can seek the assistance of an advisor. An advisor must be an administrative official, faculty member, or student of the University unless otherwise allowed by the Honor Council at the Council's discretion. More information on the advisor’s role is described below.

The advisor, upon request of the student, may:

1. Advise the student in the preparation of information relevant to the case.
2. Accompany the student to all academic misconduct proceedings.
3. Advise the student in the preparation of an academic appeal.
4. Not speak for the respondent.

Section 10.14 Academic Misconduct Process

Students are expected to pay all financial obligations to the University when due. All charges shall be presented to the student respondent in written form via University e-mail. The student respondent will be given 10 University business days to request an Honor Council Hearing as of the date of the faculty and/or SCCE notice.
Honor Council appeal hearings will be conducted by the following procedures:

1. The advisor role:
   a. The student respondent has the opportunity to be assisted by an advisor s/he chooses, at his/her own expense.
   b. Advisors are not permitted to represent any student at an Honor Council appeal hearing. An advisor may be present and communicate with the student, but shall not address the Honor Council at the appeal hearing. Request for advisor to be present must be done so in writing a minimum of three University business days before the scheduled appeal hearing.
   c. Students who are charged in the same fact pattern, or who are not in good standing with the University are not eligible to serve as an advisor at Honor Council appeal hearings.
   d. The respondent is responsible for presenting his/her own information. Therefore, a student should select as an advisor a person whose schedule allows attendance at the scheduled date and time for the Honor Council appeal hearing. Appeal hearings will not be delayed due to scheduling conflicts of an advisor.
   e. The respondent, the faculty member, and the SCCE (on behalf of Council) may arrange for witnesses to present pertinent information to the Chairperson. Witnesses may provide this information to and answer questions from the Chairperson, SCCE, and student respondent. Character statements shall be accepted in written form only.

2. Relevant records, exhibits, student impact statements and other written statements may be offered as information for consideration at the discretion of the chairperson. The student may appear in person to the Honor Council appeal hearing.

3. The Honor Council may ask additional questions of student respondent in regards to his/her testimony.

4. All procedural questions are subject to the final decision of the chairperson.

5. After all relevant information has been received, the hearing panel will deliberate in private.

6. The focus of inquiry in Honor Council appeal hearings shall determine whether a violation of the Honor Code has occurred. Determination is by majority vote.

7. In some instance, the Honor Council will serve as the complaint of an academic misconduct. In such circumstances, the appeal will be hear by the Provost.

8. There shall be a single record of all Honor Council appeal hearings and deliberation. The record shall be the property of the University.

9. If a respondent does not appear at an Honor Council appeal hearing, the information in support of charges will be presented, considered, and a decision will be made.
Concerns for the safety, well-being, and/or fears of confrontation during the hearing may be made at the discretion of the Chair.

10. The respondent and advisor may attend the entire Honor Council appeal hearing except the private deliberations of the Council. The Chairperson may remove a student or advisor for disruptive behavior.

11. A finding of responsibility may not be based on a respondent who chooses not to appear before an Honor Council appeal hearing.

12. The Council will deliberate in private and notify student of the decision within 10 University business days.

13. The student may accept or appeal the Honor Council’s decision. An appeal must be submitted in writing to the Provost within 10 University business days of Honor Council notice of decision.

14. If the student accepts the Honor Council’s decision, the case is closed.

Section 10.15 Sanctions for Violations of the Honor Code

Academic integrity is fundamental to health and success of the University and the TAMIU community. Academic misconduct constitutes a serious offense. Sanctions for academic misconduct should reflect the importance of this bedrock principle, balancing individual accountability with the educational purpose of the sanction.

A wide range of sanctions can be utilized to redress findings of responsibility for academic misconduct.

Section 10.16 Grade Sanctions

Faculty alone are responsible for assigning grade penalties in their courses for violations of the Honor Code.

1. The following are possible sanctions for academic dishonesty within a single course. These are non-binding recommendations. Faculty retains the right to assign grade penalties as deemed appropriate for their course.

   1. **1000 or 2000 level course** with a first violation, a grade penalty of an “F” or “0” on the assignment or exam, if faculty deems the violation a result of a misunderstanding of the requirements of proper documentation.
   2. **1000 or 2000 level course** with a first violation, a grade penalty of an “F” in the course if faculty deems the violation a result of a deliberate attempt to deceive and not a result of misunderstanding of proper documentation.
   3. **1000 or 2000 level course** with a second violation in the same course, grade penalty of an “F” in the course;
   4. **3000 or 4000 or graduate level** course with a first violation, grade penalty of an “F” in the course.
2. If the faculty member determines that assigning a grade of “F” to the course is the appropriate penalty and this action is reported to the SCCE prior to the deadline for dropping courses in the stated semester, the student forfeits his/her right to drop the course in question.

**Section 10.17 General Sanctions**

A student may face general sanctions in addition to any grade penalty imposed by a faculty member. The Honor Council may make a request to the Provost that one of the following actions outlined below be taken. The Honor Council request must be made within 10 University business days of receiving the faculty member’s report. The Provost will notify the student within 10 University business days (except under unusual circumstance) of receiving the request of the Honor Council.

1. Any undergraduate student in any level course who is reported for a second offense will automatically have his/her case reviewed by the Honor Council for possible assessment of additional sanctions, regardless of whether the student appeals the accusation of plagiarism/cheating or not.
2. In all cases in which there are multiple reports against an individual student, the Honor Council will initiate a new complaint/report, for which said student will have the same rights of appeal as in any other reported academic violation.
3. Any graduate student who is reported for a first offense will automatically have his/her case reviewed by the Honor Council for possible assessment of additional sanctions, regardless of whether the student appeals the accusation of plagiarism/cheating or not. In all cases in which there is a report against an individual graduate student, the Honor Council will initiate a new complaint/report, for which said graduate student will have the same rights of appeal as in any other reported academic violation.
4. For a student in a 1000 or 2000 level course with a second violation or a second offense in the same semester, the standard sanction shall be the grade penalty of an “F” in the course and the student may face suspension for one long semester (fall or spring).
5. For a student in a 3000 or 4000 level course with a second violation or a second offense in the same semester, the standard sanction shall be the grade penalty of an “F” in the course and the student will be suspended one academic year (including summer).
6. For a graduate student with a first violation, the standard sanction shall be the grade penalty of an “F” in the course and suspension for one academic year (including summer). Refer to the Graduate Handbook.
7. For a student with violations beyond those stipulated in points C-E above, the standard sanction shall be the grade penalty of an “F” in the course and expulsion from the University.

8. The recommendations below are additional potential sanctions that a student found responsible for academic dishonesty may face.

9. Recommendation to the Provost for expulsion of the student from the specific program of study or from the University.

10. Recommendation to the Provost for Honor Code suspension of the student from the specific program of study or from the University.

11. Probation for Academic Dishonesty with a statement of the consequences for additional infractions and a description of the conditions, which must be met to end probationary status.

12. Required completion of an appropriate training or remediation program, whether or not probationary status is imposed.

13. Other sanctions as deemed necessary.

A student who is on “Honor Code Probation” is subject to the following restrictions:

A. Ineligibility to hold an office in any recognized student organization recognized by the University or to hold any elected or appointed position within the University.

B. Ineligibility to compete in intercollegiate athletic activity.

C. Ineligibility to represent the University in any capacity, including representing the University at any official function.

D. Ineligibility to receive a University-administered scholarship or fellowship when the “Honor Code Probation” is in place for longer than one semester.

Additional restrictions or conditions also may be imposed, depending on the timing, nature and severity of the misconduct. Examples are inability to pre-register, to receive an official transcript, or to participate in commencement exercises.

The Honor Council will disclose the student’s academic misconduct outcome to persons who meet the definition of a school official who has a legitimate educational interest in the record and/or who are performing a task that is specific to the sanction imposed.

Section 10.18 Appeal to Honor Council of Academic Charge

A student who is found responsible for an Honor Code violation, assessed a sanction, and has yet to appeal, has 10 University business days from the date of notification of outcome to file an appeal of the findings. The appeal must be stated in writing. The chair will determine if the appeal merits a hearing.
Section 10.19 Appeals of Faculty Findings
Faculty alone are responsible for assigning grade penalties in their courses for violations of the Honor Code. A student’s appeal of a faculty member's charge of academic dishonesty must be based on one of the following reasons:

1. **Insufficient or misinterpreted evidence** that led to the initial finding of the violation of the Honor Code.
2. **Substantial new evidence** not available at the time of the original faculty decision. In this case, the Honor Council will consider new information that is sufficient to alter a decision or other relevant facts not known to the person appealing at the time of the original hearing.

Section 10.20 Honor Council Findings
The Honor Council will hear the appeal and assess a finding of “responsible” or “not responsible” of academic misconduct. The Honor Council will notify the student, the faculty member, the chair of the department, the dean and the Provost of its findings. If the Honor Council assesses a finding of “responsible,” the student may appeal following the appeal process defined below.

The Honor Council will disclose its determination of the academic appeal to school officials who have an educational interest in the finding or sanction.

Section 10.21 Appeal to Provost of Honor Council Decisions
Where Honor Council upholds the faculty member’s original charge, a request for appeal may be made in writing to the Provost. The request must be submitted within 10 University business days after notification of the Honor Council’s decision.

There are three grounds for an appeal:

1. **Substantial new evidence:** The Provost will consider new information that is sufficient to alter a decision or other relevant facts not known to the person appealing at the time of the original hearing.
2. **Procedural irregularities:** The Provost will determine whether the original hearing was conducted fairly in light of the charges and evidence presented, and in conformity with prescribed procedures giving the accused student a reasonable opportunity to prepare and present rebuttal of allegations.
3. **The sanction is not commensurate with the violation:** The Provost will determine whether the sanction(s) imposed were appropriate for the violation of the Honor Code, which the student was found to have committed.
After receiving the written request for an appeal, the Provost or a designee may:

1. **Deny** the request for an appeal and the Honor Council decision will be final.
2. **Accept** the appeal and ask the Honor Council to reconvene and hear the case again with the new information.
   a. If the Provost grants the appeal upon a procedural irregularity, the Provost can reverse the decision.

**Section 10.22 Appeal of Sanctions other than Separation from the University**

If the Provost or a designee finds that there is adequate basis for an appeal:

1. The Provost will hear the case and render a decision.
2. The Provost’s decisions are final.

**Section 10.23 Appeal of Separation from the University**

A student who receives a sanction of expulsion, dismissal, or suspension by the Honor Council of a has 10 University business days upon receiving notification from the University to appeal sanction.

1. The Provost will hear the case and render a decision.
2. THE SCCE will notify the student of the decision rendered by the Provost.
3. The decision of the Provost is final.

**ARTICLE 11. SANCTIONS**

The University reserves the right, through fair process, to impose disciplinary and academic sanctions on students who have violated the Student Code of Conduct. Any sanction described below may be placed on deferred status. The list below is not exhaustive.

**Campus Housing Probation:** An official notice that the student’s conduct is in violation of residence hall rules, University Apartments rules and/or University rules and that more stringent student conduct sanctions, including removal from housing, may result if future violations occur.

**Community/University Service:** A student may be offered an opportunity to complete a specified number of hours of Community/University Service in lieu of or in addition to other sanctions.

**Conduct Probation:** An official warning that the student’s conduct is in violation of the TAMIU Student Code of Conduct, but is not sufficiently serious to warrant expulsion, dismissal or suspension. A student on conduct probation is “not in good standing” with the
University. This sanction includes the same restrictions listed in Deferred Suspension (below). Refer to Section 12.08

**Conduct Review:** An official warning that the student’s conduct is in violation of TAMIU Student Code of Conduct, but is not sufficiently serious to warrant expulsion, dismissal, suspension, or conduct probation. A student on conduct review shall have their conduct under review for a specified period of time. This sanction may require regular meetings with an appropriate official to ascertain and evaluate compliance with Student Code of Conduct. Additional restrictions or conditions also may be imposed, depending on the nature and seriousness of the misconduct. Students placed on this sanction remain “in good standing” with the University. If there is a finding of responsibility for subsequent violations of the Student Code of Conduct during this period of time, more severe sanctions may be administered. Refer to Section 12.08

**Criminal Trespass Warning:** In addition to being suspended or expelled from the University, the student is prohibited from entering the grounds and/or facilities owned, operated and/or maintained by the University. Entrance onto campus or into those facilities/areas will be viewed as a violation of this sanction and the student will be confronted and charged accordingly for trespassing and failure to comply.

**Deferred Loss of Campus Housing Privilege:** The sanction of Loss of Campus Housing Privilege may be placed in deferred status. If a student is found in violation of the Student Code of Conduct during the time of the deferred sanction, removal from housing takes effect immediately without further review. Additional student conduct sanctions appropriate to the new violation may also be taken.

**Deferred Suspension:** The sanction of Deferred Suspension may be placed in deferred status. If the student is found in violation of any University rule during the time of Deferred Suspension, the Suspension takes effect immediately without further review. Additional student conduct sanctions appropriate to the new violation also may be taken. A student who has been issued a Deferred Suspension sanction is deemed “not in good standing” with the University. Refer to Section 12.08

**Educational Requirements:** A provision to complete a specific educational requirement directly related to the violation committed. Such educational requirements may include, but are not limited to, completion of an alcohol education workshop, a diversity awareness
workshop, essays, reports, or other education requirements, as deemed appropriate to support student development.

**Expulsion:** Permanent separation of the student from the University whereby the student is not eligible for readmission to this university.

**Letter of Enrollment Block:** A letter stating that the student may not enroll at TAMIU without prior approval through the Vice President for Student Success or designee if enrollment has been blocked for a previous student conduct problem or for medical reasons.

**Letter of Reprimand:** A letter providing a record of an incident that reflects unfavorably on the student or the University.

**Loss of Campus Housing Privilege:** Removal from University housing for disciplinary reasons.

**No Contact Order:** A no contact order is a directive to prohibit intentional contact, whether direct or indirect, with one or more designated persons or group(s) through any means, including personal contact, e-mail, telephone, social media or third parties. A violation of a no conduct order can result in additional conduct charges, more severe consequences, and/or issuing a trespass warning.

**Restitution:** A payment for financial injury caused to another through misconduct. Restitution may be imposed alone or in addition to other sanctions.

**Restrictions:** The withdrawal of specified privileges for a definite period of time.

**Suspension:** Separation of the student from the University for a definite period of time. The student is not guaranteed readmission at the end of such period of time but is guaranteed a review of the case and a decision regarding eligibility for readmission.

**Warning:** Admonition of a student for actions unbecoming to the University community.

**ARTICLE 12. DISCLAIMERS**

**Section 12.01 Disciplinary Hold**
A hold will be placed on a student's University record while one or more of the following are pending: student conduct proceedings, expulsion, dismissal, separation, suspension, criminal trespass, deferred suspension, conduct probation, Honor Code review, conduct.
review, interim suspension, or other outstanding sanctions. Hold is placed on student data systems including Banner. This hold will prevent the student from: 1) registering for future terms; 2) participating in drop/add; 3) receiving an academic transcript and 4) receiving a diploma. A hold may be waived upon student written request.

Section 12.02 Handbook Subject to Change
The provisions are subject to change without notice as deemed necessary and appropriate by the University administration.

It is important to note that information may be shared with University officials with a legitimate educational interest.

Section 12.06 Transcript Notation

1. The nature of the separation.
2. The type of infraction.
3. The department responsible for issuing the student separation from the University.
4. The effective dates of separation from the University, if applicable.
5. An outcome of suspension or expulsion will result in a permanent notation on the transcript.

Section 12.07 Parent Notification

The Family Educational Rights and Privacy Act (FERPA), permits universities to inform the parents/guardians of students less than 21 years of age when their student has been found in violation of university alcohol and drug regulations. Texas A&M International University may notify the parents/guardians of students less than 21 years of age under the following circumstances:

a) If found to have committed a serious violation of the alcohol or drug rule or policy;
b) After a second violation of the university alcohol or drug rule or policy;
c) When a student endangers his or someone's health or welfare through the use of alcohol or drugs;
d) When a drug or alcohol violation results in the termination of the student's housing contract.

The parents of students who find themselves in this situation will be sent a letter by the Vice President of Student Success or designee indicating that their student has committed a violation and been issued a disciplinary sanction. Parents may also be notified of other concerns about students’ behaviors, health or academic progress if a health or safety emergency involves their student.

Section 12.08 Standing with the University

4. Ineligibility to receive a University-administered scholarship or fellowship when the sanction is in place for longer than one semester.
ARTICLE 13. APPENDICES

Appendix A: Attendance Rule

TAMIU views class attendance as a student's individual responsibility. Students are expected to attend class and to complete all assignments. Faculty members are expected to give adequate notice of the dates on which major tests will be given and assignments will be due. Graduate students are expected to attend all examinations required by departments or advisory committees as scheduled formally.

A. Among the reasons absences are considered excused by the University are the following:
   1. Participation in University-sponsored activity at the request of University authorities.
   2. Death or major illness to the student or student’s immediate family.
   3. Illness of a dependent family member.
   4. Participation in legal proceedings or administrative procedures that require a student's presence.
   5. Religious Holy days/Days of obligation.
   6. A pregnant/parenting student must be granted a leave of absence (LOA) for as long as the student's physician deems the absence medically necessary.
   7. Illness/Injury that is too severe or contagious for the student to attend class.
   8. Required participation in military assignment and duties.
   9. Mandatory admission interviews for professional or graduate school, which cannot be rescheduled.

B. The student is responsible for providing satisfactory evidence (i.e., physician note, medical release, etc.) to the faculty member or as required by the college within seven (7) calendar days of his or her absence and return to class, to substantiate the reason for absence. If the absence is excused, the faculty member must either provide the student with the opportunity to make up the exam or other work missed or provide a satisfactory alternative to complete the exam or other work missed within thirty (30) calendar days from the date of absence.

C. Students who miss class due to a University-sponsored activity are responsible for identifying their absences to their faculty member(s) with as much advance notice as possible.

D. If an off-campus licensed physician provides evidence of a student’s illness, the written excuse, orders or documentation must contain the date and time of the doctor’s appointment, the prognosis of illness, doctor’s opinion and recommendations for the individual student. In addition, the notice should outline whether or not the student is able to attend class. If a physician determines that the student is not ill, he or she will not receive an excused absence. If absence is not an
excused absence, the faculty member will decide whether makeup work will be allowed.

E. In some courses, attendance and in-class participation are ongoing requirements and an integral part of the work of the course. In other courses, occasional in-class assessments may occur, sometimes without advance notice. It is the responsibility of the faculty member to inform each class at the beginning of the semester of the in-class participation expected and the effect absences will have on the student’s evaluation of work in the course.

F. Authorized absences are allowed for official University-sponsored activities that are:
   a. Required due to mandatory participation in a University-sponsored activity.
   b. Required for an official class.

**OFFICE OF RESPONSIBILITY:**

Office of the Provost

Revised: April 2018

Approved by Provost: May 2018
Appendix B: Leave of Absence (LOA) Rule

The Student Leave of Absence (LOA) Rule assists and encourages students to return and graduate after an absence of two or more consecutive long semesters from TAMU. Absences during summer sessions are excluded, as continuous enrollment is not affected. Eligible students are encouraged to take advantage of the benefits provided by a LOA, e.g., no need to apply for readmission to University and may participate in their regularly scheduled registration/enrollment period upon return. Please note that re-admission to a college program may be required.

Eligibility Requirements

To be eligible for a LOA, a student must be eligible to register for classes and meet the following criteria:

1. Be a degree-seeking student.
2. Be registered during the semester immediately prior to the beginning of the LOA:
   a. A student who was admitted as a new first-time freshman, transfer student, or graduate student, but did not attend will not be eligible for a LOA. Instead, he or she should contact the Office of Admissions. Graduate students should contact the Graduate School.
   b. A student who was readmitted but did not attend will not be eligible for a LOA. Instead, he or she should contact the Office of Admissions. Graduate students should contact the Graduate School.
3. Be in good academic standing or on academic probation with his or her college.
4. Have no holds (e.g., disciplinary, business, testing, etc.), which would restrict registration. Note: Students with Business Office holds may be given consideration for a LOA if authorized by the Bursar’s Office.
5. Have submitted any outstanding high school and/or transfer transcripts if prior admission/readmission and continued enrollment was contingent upon receipt of those transcripts.

Leave of Absence for Graduate Students

- Students should also be aware that they are required to maintain continuous registration during the fall and spring semesters, including registration for thesis, until all requirements for graduation have been met. Interruptions or delays in the course of study which have not been approved in advance by the student’s advisory committee chair will interfere with the degree time limits and may result in students having to re-take courses and/or apply for re-admission to the program.
Leave of Absence Policy for Graduate Students

You must be in good standing (i.e., financial obligations met, no disciplinary action, good academic standing)

Requests for Leave of Absence must be submitted to the Dean of Graduate School before the second week of the first semester of absence.

The maximum Leave of Absence is two semesters. Any Leave of Absence beyond two semesters must be adequately justified and approved by the Dean of the Graduate School.

The maximum number of Leave of Absence requests is two.

You must inform the Dean of the Graduate School when you return from your Leave of Absence.

Unapproved Leaves of Absence may result in the student being required to re-apply to his or her program.

Process for Obtaining a LOA

Student should do the following:

1. Review the rule and complete the Leave of Absence Request form promptly upon first knowledge that a LOA is needed. Form can be downloaded at http://www.tamiu.edu/gradschool/downloads.shtml.

2. Schedule appointment with department chair and college/school Dean for review and approval: College/school approval is required for an absence of two or more consecutive semesters to review the LOA application and the following issues:
   a. Impact on progress toward degree.
   b. Catalog year and status after LOA.
   c. Academic standing issues.
   d. Transfer policies, incomplete grades, agency requirements (e.g., state licensing/certification) and other academic issues, if applicable.
   e. Possible change of majors to a major within same college or in another college. Process for completing major change prior to LOA is reviewed.

3. Contact other offices, if applicable:
   a. Office of International Engagement – International students must receive mandatory advisement, including signature, from the Office of International Engagement to discuss the impact of the LOA to their immigration status. An international student on approved LOA must contact the Office of International Engagement prior to his/her return to TAMIU to clear visa status and request appropriate immigration documents.
   b. Office of Financial Aid – Students who have received financial aid should request information about loan counseling, program rules that require continuous enrollment, and satisfactory progress. Students who have
received scholarships should request information about possible deferment policies.

c. Office of Housing & Residence Life – Students living on campus must formally petition to be released from their Residential Life License Agreement. If future housing is needed, students must reapply for housing.

d. Bursar’s Office – Students should review their online student account and pay all outstanding charges to avoid late charges and possible referral to an outside collection agency. Students requiring assistance with their accounts should visit or call the Bursar’s Office. Students with Business Office holds must contact the Bursar’s Office in order to setup a formal payment plan. Once a formal payment plan has been created, the Bursar’s Office will provide sign-off on the LOA which is then returned to the appropriate office for processing.

e. Veterans Affairs – Students who receive veterans’ educational benefits and/or students leaving the University due to a military activation should contact the Veteran Affairs Office in the Office of the University Registrar for information and assistance.

f. Graduate School-Graduate students should submit their leave of absence request to the Dean of Graduate School before the second week of the first semester of absence.

4. Submit the Leave of Absence Request form:
   a. Once the required signatures have been obtained, the application is returned to the Office of the University Registrar. The student may return the form in person.
   b. The student follows the established procedures for withdrawing if registered for the current term and finds that completely withdrawing mid-semester is necessary, as well as the procedures for canceling any registration already submitted for any future term(s) during the requested LOA. NOTE: Students receiving financial aid must visit the Financial Aid Office for information on how withdrawal impacts their financial aid.
   c. Satisfactory evidence (i.e., physician note, medical release, etc.) must be submitted to the instructor or as required by the college.
   d. The student updates his or her mailing address on the student information system, if necessary.

Additional Conditions of LOA Requests

LOA Duration

A LOA may not be granted for more than two consecutive regular semesters. (A regular semester is defined as a fall or spring semester and excludes winter and summer sessions; for example, LOA is granted for fall and spring or spring through fall.)
If the student does not return at the agreed semester, he or she would need to undergo formal readmission to TAMIU, to include submission of a new application and any necessary transcripts.

1. A student may request a LOA more than once; however, the cumulative total of such requests may not exceed two years.
2. A student may request an extension prior to the scheduled return of a regular semester. Approval consideration will be at the college's discretion, based on the reason of the request. For example, appropriate extensions may result from students leaving for active military duty or religious missions.
3. A student may return earlier than the original agreed return date but should provide notice as soon as possible, keeping in mind applicable deadlines, such as advising, registration, financial aid, etc.

**Student Status during the LOA**
A student granted a Leave of Absence retains his/her admitted student status. However, he/she is not registered and, therefore, does not have all the rights and privileges of a registered student and should be aware of the following consequences:

1. Office of Financial Aid – A student is not eligible for any financial aid disbursements during the semesters while on LOA. A student on a LOA will be reported to lenders and loan service agencies as “non-attending” and will need to contact his/her lenders for information on possible repayment requirements.
2. Enrollment verification requests – Enrollment verifications for other entities, such as parents’ health or auto insurance companies, will also be reported as “non-attending.”
3. Facilities Access:
   a. Library – A student on a LOA will have limited access to library resources. He/she may access library resources, including use of electronic databases and journals, while physically present in any campus library. No remote access to proprietary databases and electronic resources is available. Normal borrowing privileges are not retained, but restricted privileges may be available for a fee. A student interested in checking out TAMIU library material should contact any library circulation services.
   b. Student Health Services and Student Counseling and Disability Services – A student on a LOA for a particular semester is not registered for any credit hours and, therefore, not eligible to use Student Health Services.
   c. Computing resources – A student on a LOA will not have access to computing resources, including computing labs. Students will be able to maintain their TAMIU @dusty accounts.
   d. Recreational Sports – A student on a LOA will lose access to recreational sports.
Returning from a LOA

1. At the time of return, a student must continue to be eligible to register (i.e., have no enrollment restrictions, such as an account delinquency, disciplinary hold, or academic disqualification).
2. A student returning earlier than the original agreed return date should provide notice to the Office of the University Registrar as soon as possible, keeping in mind applicable deadlines, such as advising, registration, financial aid, etc.
3. A student must meet all financial aid requirements and deadlines for the academic year of his/her return.
4. The Office of the University Registrar will identify concerns, if any, arising during the student’s LOA, which may make the student ineligible for registration and work with the school/college to resolve them, if possible.

Appendix C: Student Complaint Process

As indicated in its mission, TAMIU strives to provide students with the highest quality programs, built on a solid academic foundation in the arts and sciences, and prepares them to lead their chosen professions in an increasingly complex, culturally diverse state, national, and global society. Consistent with our mission, TAMIU welcomes opinion and feedback about rules, procedures, programs and services in order to make changes that contribute to student success, development, and goal attainment. TAMIU is also committed to ensuring that students have access to a complaint process. A student with a complaint that a policy, rule, regulation, or procedure has been improperly applied in a particular case has recourse through complaint and appellate procedures. In registering complaints and filing appeals, TAMIU students must follow the procedures established by the unit where the complaint is filed.

Informal Process
In most instances, complaints can be resolved through an informal process. Basic steps include:

- Discussing the matter with the staff, faculty, or department in which the issue originated.
- If the issue is not resolved, contacting the supervisor, department chair, or associate/assistant Dean to investigate the issue and allegations.

Formal Process
If the issue is unresolved after following the informal complaint procedures, the student may submit a formal complaint. Formal complaints should be submitted using the Report It form. A complaint must include the name, contact information of the person filing the complaint, and a brief description of the circumstances, including who has been involved, and current status.

Formal complaints are received by the Office of Student Conduct and Community Engagement. On receipt, SCCE will forward complaints to the appropriate department head, Dean, or supervisor within five University business days, except under unusual circumstance. The receiving department has 10 University business days to contact the student and reach a resolution (extension may be granted upon request). Resolutions must be forwarded to the Office of Student Conduct and Community Engagement for record keeping.

Grade Appeal Process
Faculty members are authorized to change final grades when they have committed a computational error, and to do so must receive approval of department chair and Dean. To receive that approval, faculty must attach a detailed explanation of the reason for the
mistake. Rarely would another reason be entertained as legitimate for a grade change. A student who disputes a grade on an assignment must discuss the situation with the faculty member teaching the course. If students believe that they have been graded improperly, they may follow the grade appeal process defined above (Article 4).

**Academic Probation**

Students will be placed on Academic Probation at the conclusion of any long semester (fall or spring) when their institutional cumulative grade point average at Texas A&M International University falls below 2.0. Such students are encouraged to participate to the fullest in academic support programs and to seek academic advising. Students who have been placed on academic probation will be allowed to enroll for one additional one semester in an attempt to achieve the required institutional cumulative grade point average of 2.0 or better.

**Academic Suspension**

Students who have been placed on academic probation, and fail to achieve the minimum institutional cumulative grade point average during the next long semester will be placed on academic suspension. Students on academic suspension will be required to sit out one long semester and may re-enroll after such absence under academic probation. Prior to enrolling, the returning student must meet with an academic advisor to develop an academic improvement plan. The advisor will then meet with the student throughout the semester to monitor the student’s progress in meeting established goals and determine appropriate subsequent actions.

The student may appeal the Academic Suspension to the Dean of the college/school, or the Dean's designee, in which he/she is pursuing a degree by submitting a petition for academic reinstatement and a student self-assessment. If the petition is approved, the student will be permitted to enroll under continued suspension. Prior to enrolling, the returning student must meet with the Dean to develop an academic improvement plan. The Dean or designee will meet with the student throughout the semester to monitor the student’s progress in meeting established goals and determine appropriate subsequent actions.

**Removal of Academic Suspension Status by Wintermester, Maymester or Summer Study**

Students placed on academic suspension at the end of the fall or spring semesters are eligible to attend the subsequent Wintermester, Maymester or Summer sessions at TAMIU. If the student achieves an institutional cumulative grade point average of 2.0 or better at the conclusion of the wintermester, maymester or summer terms, the academic suspension status will be removed.
Complaints alleging violations of the American with Disabilities Act (ADA)
TAMIU offers reasonable accommodations for students with disabilities. Students may contact Student Counseling and Disability Services at for policy and procedures for requesting accommodations. If you feel as though you have been discriminated against on the basis of disability status, please contact Director of Equal Opportunity and Diversity at KLM 159B, or call 956.326.2857.

Fraud and Abuse Complaint
Fraud, waste and abuse of resources of any kind by University employees is prohibited. TAMUS maintains a Risk, Fraud and Misconduct Hotline for reporting fraudulent, wasteful or abusive activities. The Hotline, a telephone and web-based reporting system, provides a way to anonymously report instances of suspected fraud, waste and abuse. The web-based reporting system can be accessed at https://secure.ethicspoint.com/domain/media/en/gui/20500/index.html. A person may also call 1.888.501.3850 to report an issue.

Student Conduct Grievance
Any member of the University community may file a grievance against a student who violates the Student Code of Conduct. Grievances must be filed in writing within fifteen (15) University business days of the discovery of the alleged infraction to the Office of Student Conduct and Community Engagement via the ReportIt form available at http://www.tamiu.edu/reportit. Timelines for the grievance process may be extended for good cause shown or upon the unilateral discretion of the Office of Student Conduct and Community Engagement.

Student Financial Aid Appeal
A student not meeting SAP standards due to extenuating circumstances may appeal a financial aid suspension by submitting an Appeal of Financial Aid Satisfactory Academic Progress. Examples of extenuating circumstances include a major medical condition or hospitalization of self or immediate family member, death of immediate family member, or victims of violent crimes. Personal or financial issues with family, friends, or roommates are not considered extenuating circumstances.

The Financial Aid Appeal Committee will only evaluate appeals for students who have a complete financial aid folder and are enrolled for the semester of appeal. Students should make payment arrangements with the Bursar's Office while their appeal is being reviewed to ensure that they are not dropped for non-payment. The student will be notified thru official University student email account when the results of the appeal are available. Federal regulations do not allow the decisions of the Committee to be overturned by another institutional office or official.
Harassment Complaints
Individuals who believe they have or may have been sexually harassed, or who have experienced harassment based on race, color, national origin, religion, age, disability, sex, gender identity, genetic information, veteran status, or sexual orientation should file a complaint with the Director of Equal Opportunity and Diversity/Title IX Coordinator: Lorissa Cortez, 5201 University Boulevard, Killam Library 159B, Laredo, TX 78041-1900, 956.326.2857, TitleIX@tamiu.edu; through TAMIU Report It, www.tamiu.edu/reportit. Recognized Student Organization Complaints
The Office of Student Orientation, Leadership and Engagement oversees all recognized student organizations on the TAMIU campus. Individuals who wish to file a complaint against a recognized student organization or a member, or officer, of a recognized TAMIU student group should follow the procedure outlined in The Leader: A Guide for Student Organizations available at http://www.tamiu.edu/sole/documents/TheLeader.pdf.

Record Keeping Procedures
Formal complaints will be kept on record for one year or in accordance to TAMUS Record Retention Policy. Individual units are responsible for addressing student complaints and forwarding resolutions to the Office of Student Conduct and Community Engagement for record keeping.

Appendix D: Freedom of Speech, Assembly, Expression and Demonstration

Freedom of Speech, Assembly, Expression and Demonstration

TAMIU is committed to providing an educational and work climate that is conducive to the personal and professional development of each individual. The University respects the rights of freedom of speech, expression, petition and peaceful assembly as set forth in state and federal law. TAMIU reserves the right to regulate reasonable time, place and manner restrictions concerning acts of expression.

Section I. Forums

As a public institution of higher learning, TAMIU provides forums for the expression of ideas and opinions. These include:

- Traditional public forums include the University’s public streets, sidewalks, and similar common areas. These areas are generally available for expressive activity, planned or spontaneous, for the individual or small groups (generally where a crowd of 25 or less will be present, and/or where an event is not promoted in advance, and/or when an event is not sponsored by a recognized student organization) at any time without the need for reservation, or prior approval. Obstructing or impeding the flow of vehicular or pedestrian traffic is prohibited.
- Designated public forums include other parts of campus that may become temporarily available for expressive activity as designated by the University. These temporary locations, while in existence, will be treated similar to public streets, sidewalks, and parks in terms of access and availability for expressive activity. Obstructing or impeding the flow of vehicular or pedestrian traffic is prohibited.
- Limited public forums have limited open access for public expression, or they may be limited to particular groups or to particular topics. Creation of, and access to, limited public forums for student publications may be requested through the Office of Student Orientation, Leadership and Engagement.
- Non-public forums are areas that are not traditional public forums or designated public forums. These include areas that are not by tradition or designation forums for public communication. These forums will be restricted to use for their intended purpose and are not available for public expressive activity. Examples include, but are not limited to, classrooms, residence hall rooms, faculty and staff offices, academic buildings, administration buildings, Sue and Radcliffe Killam Library, research and computer laboratories.

Security needs, acts of nature, or other demands may affect the availability of spaces that would otherwise be routinely available.
Information about existing requirements, restrictions, or security concerns will be discussed at the time the reservation request is processed.

Those who choose to observe and/or listen to expressive activities, bear the responsibility of recognizing and honoring the right of free speech. Any acts that are disruptive to the normal operations of the University, including classes and University business, or that invade the expressive rights of others are prohibited. Faculty, staff, and students engaging in a disruptive activity may be subject to disciplinary action. Any participant in a disruptive activity may face criminal charges.

Ideas or expressions put forth in expressive activities are not necessarily the views of TAMIU, its officers, administrators, or leaders, unless otherwise noted.

**Section II. Reserving Free Speech Areas**

University Success Center north green, Student Center patio and Kinesiology, Wellness and Recreation Center north patio are free speech areas and may be reserved at the request of student and non-students for expressive activity. The act of confirming a reservation will ensure the availability of space. A reservation is not required, except as described in Section III. Each is available for reservation as described below:

- **Zaffirini Success Center (ZSC) North Green** – green space on north side of ZSC. Sound equipment is allowed for use in this area for a fee. The volume of any sound equipment must be kept at a level that would not interfere with any academic or other program taking place in nearby buildings, as determined by the University.

- **Student Center Patio** – Located on the east side of the Student Center. Sound equipment is allowed for use in this area for a fee. The volume of any sound equipment must be kept at a level that would not interfere with any academic or other program taking place in nearby buildings, as determined by the University.

- **Recreational Sports (REC) North Patio** – Located on the north side of the REC. Sound equipment is allowed for use in this area for a fee. The volume of any sound equipment must be kept at a level that would not interfere with any academic or other program taking place in nearby buildings, as determined by the University.

**Section III. Advance Reservation Requirements**

To ensure safety and to promote an environment conducive to study, advanced reservation in the form of an event confirmation from Event Services is required for expressive activity for events or activities promoted in advance, sponsored by recognized student organizations, and/or expected to draw a crowd of more than 25 people. Advanced reservation in the form of an event confirmation from Event Services is also required for activities near intersections, and/or in close proximity to academic buildings anytime classes, study activities, and/or research activities are taking place.
Section IV. Reservation Procedures

*Students and Recognized Student Organizations* requiring advanced reservations shall request use of the space through the Office of Student Orientation, Leadership and Engagement on the second floor of the Student Center. If advanced reservation is required per Section III above, requests must be made at least five (5) University business days in advance of the event as additional collaboration and coordination may be required. There may be fees associated with equipment requests, contact Event Services for a fee listing.

*Non Students, Faculty, Staff* requiring advanced reservations shall request use of the space through Event Services on the first floor of the Student Center. If advance reservation is required per Section III above requests must be made at least five (5) University business days in advance of the event as additional collaboration and coordination may be required. There may be fees associated with equipment requests, contact Event Services for a fee listing.

Usually use of the space will usually be assigned to the person or organization that requests the area first. University sponsored events have first priority for use of campus facilities. The University reserves the right to locate any assembly so as to ensure that the activity does not interfere with the normal operation of the University or interfere with the rights of others.

The decision to confirm a request for space will be based on proper and timely completion of the Event Request form, compliance with applicable sound and sign requirements, and availability of space. The decision to confirm will be based on the preceding criteria, and in no circumstance will any decision be based on the content or viewpoint of the expressive activity or upon the expected reaction of others. If a request is denied, the rationale for the decision will be provided in writing. The denial of a reservation request to a student or recognized student organization may be appealed to the Associate Vice President of Student Success or designee. All other appeals should be filed with the Vice President for Institutional Advancement or designee.

At the time of the request the following information will be required:

- Name of the person or organization sponsoring the event.
- Contact information for one individual who will be present throughout the event.
- Location, date and time requested for the event.
- General purpose of the event.
- List of planned activities (i.e. speech or rally, march with signs, distribution of literature, sit-in).
- Special equipment requested.
- Anticipated attendance.
For recognized student organizations, an officer of the sponsoring organization must be present, and throughout the event.

Section V. Guidelines for Expression

1. Disruptive Activity–Obstruction, disruption or interference with classes, research, administrative functions or other university activities is not permitted. Likewise, infringement on the rights of others is prohibited.
2. Reasonable Access–It is important to provide reasonable access to, and exit from, any office, classroom, laboratory or building. Similarly, vehicular and pedestrian traffic should not be obstructed.
3. Picketing–Picketing in an orderly manner outside of university buildings may be permitted. Such activities should not become disruptive nor should they impede access. Picketing is not permitted inside campus buildings.
4. Tents–Tents are limited to appropriate outdoor areas as determined by the University. Use of tents during tailgating activities for home NCAA sporting events do not require prior approval. Overnight occupancy of tents is not allowed except for special events that are exclusively student events and approved in advance by the Office of Student Orientation, Leadership and Engagement. For these types of events, tents must be removed within eight hours after the event is finalized. Special events that are exclusively student events must be sponsored by a University department or a recognized student organization; a risk management plan must also be completed. TAMIU reserves the right to remove or prohibit the erection of any tent that its representatives deem unsafe or interferes with University operations.
5. Literature Distribution – Literature may be distributed in traditional and designated free speech areas. Such activities should not become disruptive nor should they impede access.
6. Symbolic Protest–Displaying a sign, gesturing, wearing symbolic clothing or otherwise protesting silently is permissible unless it is a disruptive activity or impedes access. In addition, such acts should not block the audience’s view or prevent the audience from being able to pay attention.
7. Noise–Making sustained or repeated noise in a manner that substantially interferes with a speaker’s ability to communicate his/her message is not permitted. Noise levels should not interfere with classes, meetings or activities in progress or the privacy of residence hall students.
8. Force or Violence–Any attempt to prevent a University activity or other lawful assembly by the threat or use of force or violence is forbidden.
9. Presenting Identification–In accordance with the Texas Education Code, it is unlawful for any person on any property either owned or controlled by the University to refuse to identify him/herself to a university official in response to a request.
10. For the purpose of these rules a person identifies him/herself by presenting a student or faculty/staff ID card or state issued ID card.

11. Damage to Property—Any damage to university or personal property in the course of, or as a result of, an expressive activity is prohibited. Care should be taken to ensure that university and personal property is not damaged or destroyed. This includes the campus lawns, shrubs and trees. Along with restitution for property damage, parties may face penalties under the Student Code of Conduct as well as criminal charges.

12. Other University Rules—All applicable University Student Code of Conduct should be followed whenever engaging in activities on campus.

13. All individuals participating in expressive activity are expected to comply with state and federal law, municipal ordinances, and TAMIU Student Code of Conduct. Failure to do so may result in immediate removal from the campus and any other appropriate action by University officials and/or University Police.

Appendix E: Good Samaritan Amnesty

Purpose
The health and safety of our students are of primary concern at TAMIU (TAMIU). TAMIU is committed to ensuring that students obtain timely medical assistance for themselves and fellow Dustdevils in the case of medical emergencies.

As such, the University recognizes that the potential for disciplinary action may discourage students from seeking medical assistance for themselves or others in a time when medical attention is needed. The Good Samaritan Amnesty has been developed with the intention to assist those individuals whose judgment or health is severely affected due to alcohol consumption and/or controlled substances by removing impediments to seeking such assistance. Students are encouraged to contact TAMIU PD, medical emergency professionals or other University officials when assistance is needed.

Expectations
The implementation of the Good Samaritan Amnesty is for TAMIU to continue being an entity, which is proactive about the health and safety of our students, and to also instill in all Dustdevils the moral responsibility to help people in need. At TAMIU, we expect that students will take a proactive role in protecting the safety and well-being of their peers and the University community.

The Good Samaritan Amnesty also serves to be an educational experience that will allow all students an opportunity to learn from their decision-making process and make healthier decisions in the future. It is the expectation that a student use the Good Samaritan Amnesty minimally and as a learning experience. Therefore, after being granted amnesty once, the availability of amnesty to the student is at the discretion of the University.

Protocol
The Good Samaritan Amnesty is an approach to reducing the dangerous consequences caused by alcohol or controlled substance emergencies by increasing the likelihood that members of the TAMIU community will call for medical assistance. In order to promote this, if a student:

1. **For Victims and Witnesses.** The University provides amnesty to victims and witnesses who may be hesitant to report to University officials because they fear that they themselves may be accused of minor rule violations, such as underage drinking, at the time of the incident. Educational options will be explored, but no student conduct proceedings or conduct record will result.
2. **For Those Who Offer Assistance.** To encourage students to offer help and assistance to others, the University applies amnesty for minor violations when students offer help to others in need. At the discretion of the Director of Student Conduct and Community Engagement (SCCE) or designee, amnesty may also be extended on a case-by-case basis to the person receiving assistance. Educational options will be explored, but no student conduct proceedings or conduct record will result.

3. **For Those Who Report Serious Violations.** Students who are engaged in minor violations but who choose to bring related serious violations by others to the attention of the University are offered amnesty for their minor violations. Educational options will be explored, but no student conduct proceedings or record will result. Abuse of amnesty requests can result in a decision by the Director of Student Conduct and Community Engagement or designee not to extend amnesty to the same person repeatedly.

4. **Safe Harbor.** The University believes that students who have a drug and/or addiction problem deserve help. If any student brings their own use, addiction, or dependency to the attention of University officials outside the threat of drug tests or student conduct violations/sanctions and seeks assistance, a student conduct complaint will not be pursued. A written action plan may be used to track cooperation with the Safe Harbor by the student. Failure to follow the action plan will nullify the Safe Harbor protection and student conduct processes will be initiated.

The Good Samaritan Amnesty does not limit the authority of law enforcement to act as required at the time of an alleged violation of federal, state or local laws. The University has a responsibility to investigate whether a report was made in good faith.

The student(s) eligible for amnesty under the Good Samaritan Amnesty may be required to meet with the Director of SCCE (or designee) to discuss participation in appropriate educational programs/activities, appropriate alcohol or substance abuse assessments and/or treatments. Although the student(s) receiving amnesty with the protocol will not be assigned formal disciplinary sanctions or have a formal disciplinary case, records of all incidents addressed by the protocol will be maintained by the SCCE, including remedies. Any subsequent alcohol or controlled substance incident will prompt a higher degree of concern and will be evaluated by the SCCE for the availability of amnesty to the student. Failure to complete educational assignments or recommended treatments issued by the SCCE will revoke the eligibility of the amnesty protocol and may result in formal disciplinary action.
Based on the entirety of the incident, the Director of SCCE or Director of Equal Opportunity and Diversity/Title IX Coordinator will make the final determination as to the applicability of this protocol.

**Qualifications for Good Samaritan Amnesty**

The student receiving medical assistance or a student initiating medical assistance in an alcohol or controlled substance emergency qualify for amnesty:

1. The student requests medical assistance from TAMIU PD, medical emergency professionals or other University officials on behalf of a student experiencing an alcohol or controlled substance medical-related emergency.
2. The student seeking medical attention does so at the time of the incident.
3. The student eligible for amnesty meets with the Director of SCCE (or designee) within ten (10) University business days of the incident.
4. The student eligible for amnesty agrees to timely completion of assigned educational activities, assessments and/or treatments assigned by SCCE.

In such cases in which the student completes assignments, the incident will not be documented as a formal disciplinary record for the individual.

Criteria for granting amnesty may include but is not limited to: the severity of the incident, the student’s disposition regarding the incident, whether the student has been granted amnesty in the past, and the student’s previous conduct record.

For civil rights matters involving sexual harassment, sexual assault, dating violence, or stalking, an enrolled student who reports in good faith the incident will be granted amnesty from disciplinary action for Student Code of Conduct violations so long as the student is a witness or victim to the reported incident. Amnesty does not apply to a student reporting their own commission of sexual harassment, sexual assault, dating violence, or stalking.

_Students participating in intercollegiate programs (athletics), and previously invoked the Safe Harbor Program under the Athletics Department, are not eligible to invoke the Good Samaritan Amnesty._

Appendix G: Administrative Response to Distress or Disruptive Behavior

TAMIU is committed to the success of all students and recognizes that students may experience general medical or behavior health issues that significantly limit their ability to function successfully or safely. Through the Office of Student Counseling and Disability Services or Student Health Services the University provides assistance and support, including evaluation, treatment, and referral, a within the available resources of the institution, for students experiencing general medical or behavioral problems. If a member of the University community observes conduct that may constitute a threat to the health or safety of the community, individuals should report the conduct. Resources include the Behavioral Intervention Team (http://tamiu.edu/reportit), the Office of Student Success, and other appropriate university resources including, but not limited to, the Student Conduct and Community Engagement.

Students who display distress or disruptive behavior, may be: 1) referred for an individual evaluation and/or 2) administratively withdrawn from the university; in some instances, this withdrawal may be involuntary. Voluntary or involuntary administrative withdrawals permit students to take a break from the demands of the University’s rigorous academic environment. The Vice President for Student Success or designee is charged with responsibility for decision making related to this rule.

1. Distress or disruptive behavior caused by manifestations of a serious psychological problem includes, but are not limited to:
   a. Instances where a student engages in, or threatens to engage in, inappropriate behavior which poses a danger of causing physical harm to self or others, or inappropriate behavior that demonstrates a student’s inability to care for self.
   b. Instances of inappropriate behavior, which would cause significant property damage, or would directly and substantially impede the lawful activities of others, or that substantially interferes with or impedes the educational experiences of others, or would interfere with the educational process and the orderly operation of the University.
   c. Instances of inappropriate behavior that causes a chronic, inordinate use of university resources including, but not limited to, staff time, psychological services, medical services, and/or emergency services, thereby resulting in an undue burden to the University.

Involuntary Referral for Evaluation

When it is determined by the Vice President for Student Success or his/her designee that a student has allegedly participated in one or more of these behaviors, the student will be required to present himself or herself within one University business day, to the Director of
the Student Counseling Service or his/her designee, for an individual assessment. The student will be notified in writing of this by the Vice President for Student Success or his/her designee.

**Withdrawal**
Under this rule, students may be voluntarily or involuntarily withdrawn from the University. The decision for an involuntary withdrawal shall be made by the Behavioral Assessment and Intervention Team.

The Office of Student Conduct and Community Engagement is responsible for the University disciplinary process. This rule does not preclude a student’s removal from the University, or any unit, class, or program, for disciplinary reasons in accordance with TAMIU Student Code of Conduct. The Vice President for Student Success or designee may consult with the Behavioral Assessment Intervention Team (BAIT) to determine whether a student accused of violating the Student Code of Conduct should be diverted from the disciplinary process to the Administrative Response to Distress or Disruptive Behavior or to determine whether a student referred for consideration for an administrative withdrawal under the Administrative Response to Distress or Disruptive Behavior might be more appropriately handled through the student disciplinary process.
