Submit for approval. You will receive an email stating whether your hours were approved or denied. If your hours get denied, the reason as to why your hours were denied will be stated on the email.

Common Reasons for Denial of Hours

- Hours selected to be applied to “TAMU Student Body.”
- Hours that are submitted for individual purposes are to be submitted under “Individual” hours.
- Inaccurate information (i.e. Hours on provided certificate do not match what was stated in the submission and vice versa)

Things to Keep in Mind

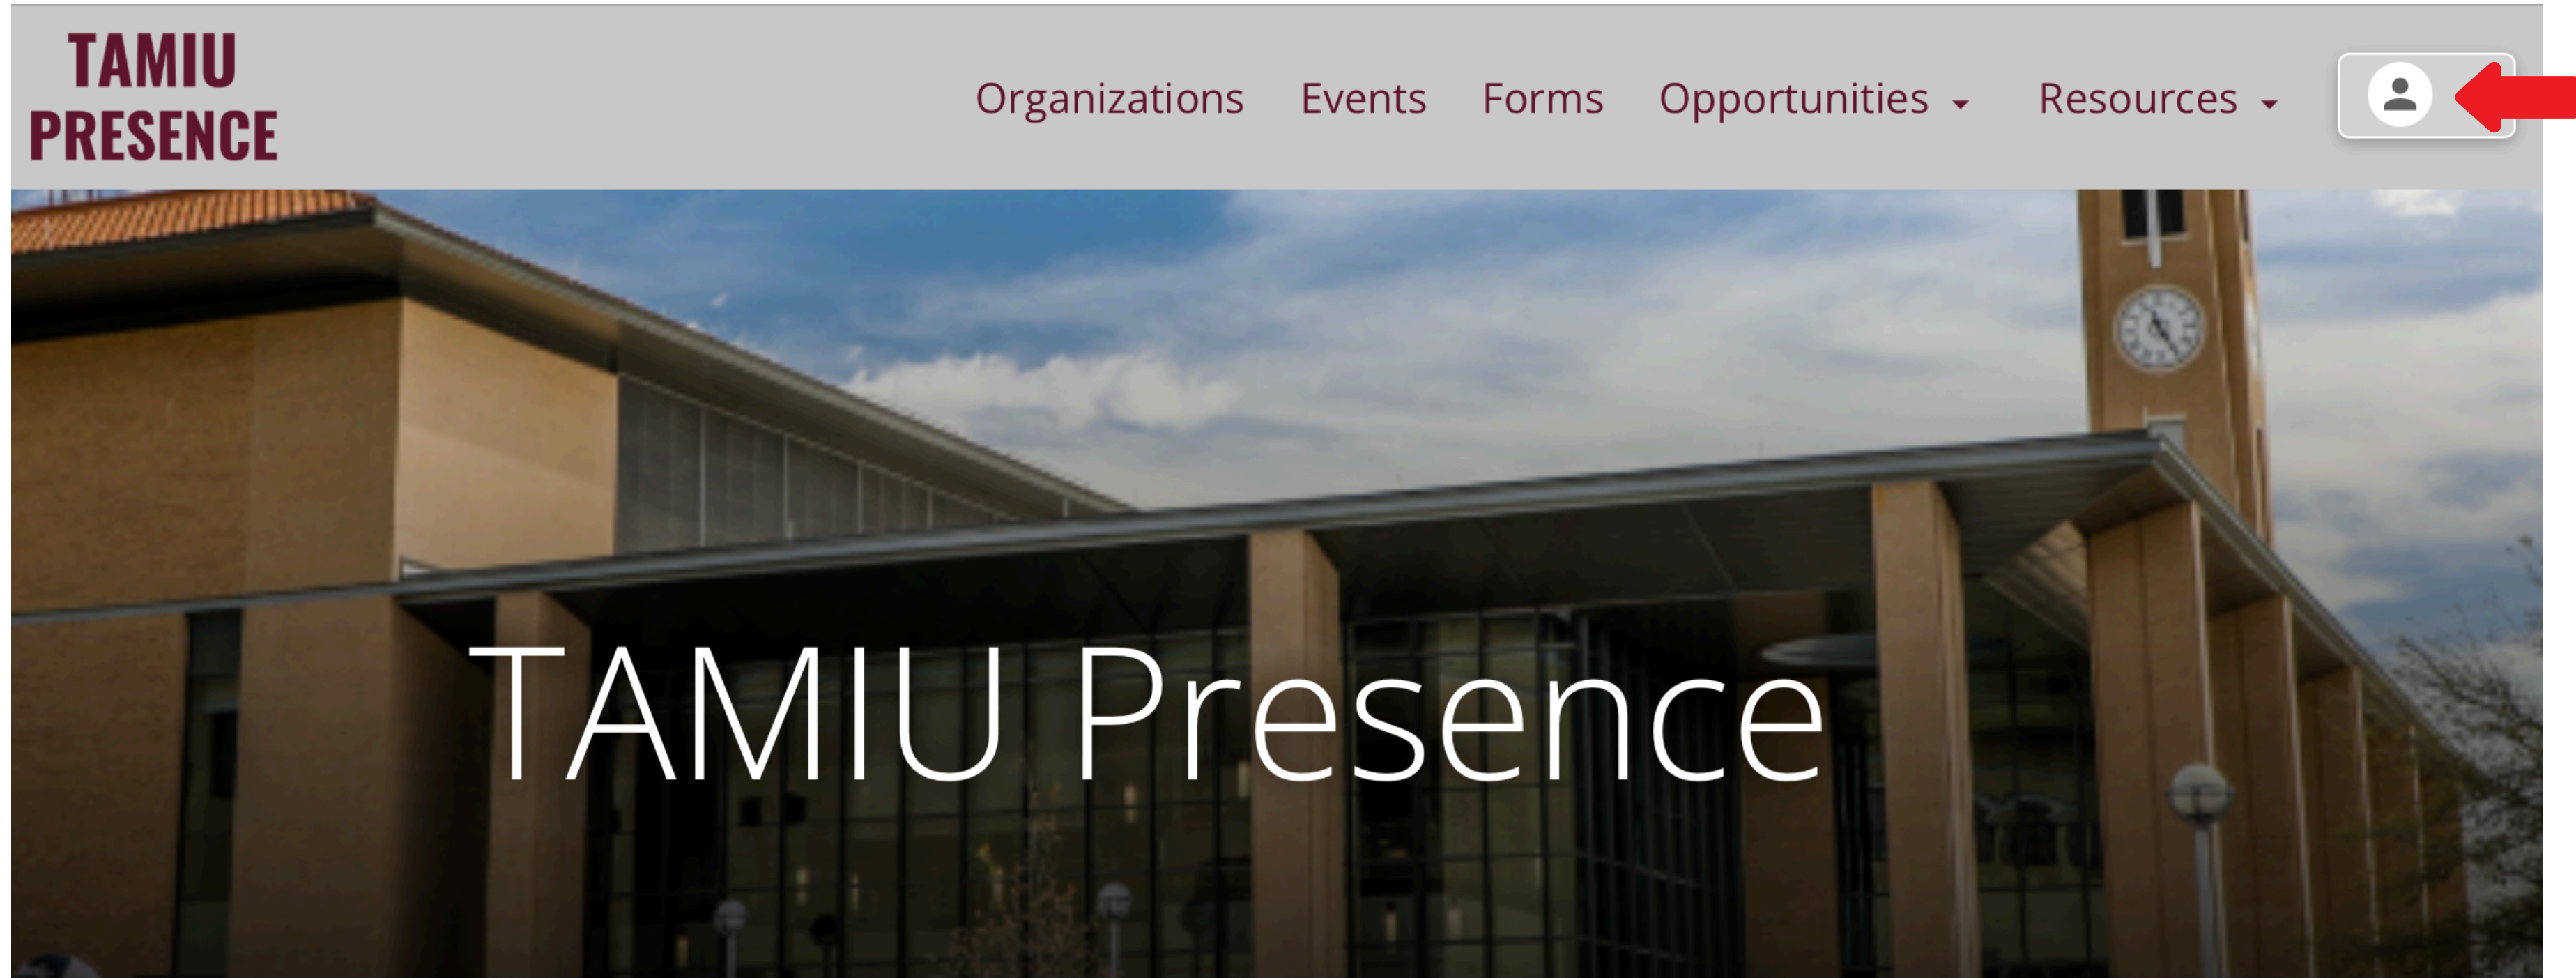

- Ensure to submit proof
 - Verification Time Sheet
 - Community Service Log Form
 - Certificate provided to you by the agency
- We cannot guarantee immediate approval of hours as we receive a high traffic of submissions throughout the day. Ensure you are submitting hours ahead of time.
