We invite you to become part of the tradition! This ring evokes special memories of the traditions and images of TAMU and may be cherished for a lifetime. The Official Ring is a symbolic, continuous link with university experiences, fellow classmates, and alumni. While the campus will grow, develop and change, the icons represented on this ring will not. The ring will remain unchanged as a tangible connection linking past, present and future generations of alumni at home and around the world.

Graduates and students with over 75 credit hours are able to purchase the ring by phone at 1-866-BALFOUR. Also, if you have the former ring, you may exchange it for the new one for **FREE**.

School of Business among Top 300

The **A.R. Sanchez, Jr. School of Business** is considered one of the best 300 Business Schools, according to The Princeton Review. These rankings are based on the quality of the academic programs and students' opinions about the learning environment. Our School also ranked 5th in "Greatest Opportunity for Minority Students."

The Princeton Review editors describe the school as: "a high quality professional and internationalized education to a graduate student population that is drawn from a wide variety of countries and cultures."

Our university and its programs are constantly improving and this recognition proves our commitment to success.

TAMIU receives \$6 million in grants!

Two new academic programs received funding from the Department of Education, totaling \$6,061,035. These funds are part of the Strengthening Hispanic Serving Institutions Program.

One grant, Engaging Sophomores/Graduation Roadmap Project, is designed to increase University sophomores' retention rate. The Graduate Retention Enhancement Grant will assist Hispanic students in obtaining a graduate degree and ultimately, prepare them to attain a doctoral degree.

These grants will help increase the number of Hispanic students pursuing graduate studies.

Alumni on the L K!

Mr. Reynaldo Ramirez, Jr., '81, '84, published his new book, "The Do-It-Yourself Texas Traffic Ticket Dismissal Book." In the book, he reveals secrets on how Texas drivers can dismiss a ticket pretrial without the need of a lawyer. The book is available through bookstores nationwide and online.

Texas law professor, attorney, and author Reynaldo Ramirez, Jr. earned his B.B.A. and M.B.A. from TAMIU and a Juris Doctorate from Texas Southern University, where he serves as professor. He's been a practicing Texas attorney for the past eighteen years, and is a former Texas Chief Prosecutor and Texas Public Defender.

Bernardo Diaz, '07, is currently displaying his artwork at The Center for The Fine and Performing Arts Gallery. The exhibit, "High 5," also showcases work from artists in the M.F.A. program at Southern Methodist University (SMU), where Bernardo got a full scholarship to continue his studies.

Diaz received his B.A. from TAMIU and his Master's in Art from Texas A&M-Corpus Christi. His work has been displayed in numerous cities around Texas and Mexico.

The "High 5" exhibit will be on display **through November 18th**.

Dr. Michele Lockhart, '06, earned her Ph.D. in Rhetoric from Texas Woman's University this year! She is currently an analyst with the U.S. Government Accountability Office (GAO) in Dallas, Texas.

Alumni on the L K!

Mr. Stanley Pearson II, '07, received the “Distinguished Alumni of the Decade Award” from his other Alma Mater, Missouri Western State University.

He pursued a B.A. in Spanish and an M.B.A. and currently delivers presentations and workshops across the nation about leadership and diversity topics.

Ms. Sovathana Sokhom, '93, is currently pursuing her Doctorate degree in Politics and Economics in California. She was showcased in an article published by the Asian Human Rights Commission, based in Hong Kong. This article talks about her life as an unschooled girl working at child labor camps in Cambodia and her challenges to get an education in the U.S.

“I hope this story would inspire other TAMIU students that are struggling through their school year... by knowing that somebody else who struggled was able to finish her studies and more... that they too can do it!”

Ms. Sokhom graduated from Saint Olaf College with a double major in economics and political science and got an M.B.A. in International Trade from TAMIU.
